

Protection you can count on.

Free battery replacement and roadside assistance.

When battery trouble strikes, one call to the Hotline is all it takes. Someone will be there to give you a jumpstart or provide you with towing services that will be reimbursed up to \$75.

If your battery fails within 25 miles of where you purchased it and had it installed, it will be replaced and installed there again for free. If you're more than 25 miles away, you'll be referred to one of over 75,000 participating locations nationwide for the complimentary replacement and installation.

And if you're more than 100 miles from home when battery trouble strikes and need to stay overnight because a new battery isn't available right away, you'll also be reimbursed up to \$250 for eligible meal and lodging expenses, in addition to receiving the complimentary battery replacement and installation.

Making a claim couldn't be easier.

- Call the Toll-free Hotline — 1-844-255-8137
- Claim calls are handled by ASE-certified technicians
- Receive a detailed follow-up email after repairs are made

Service secured through any other source or dispatcher is not eligible for reimbursement, so be sure to call the Hotline first.

Every new, professionally installed CARQUEST® battery comes with free replacement* and 24-hour Roadside Assistance*.

When you purchase a CARQUEST battery at a participating professional repair shop and have it installed there, you're getting more than just a high-quality battery that delivers reliable starts and power every time. You also get the added protection and peace of mind that come from knowing you're covered by a complimentary Roadside Assistance Program should anything happen.

Here's how it works.

For 24 months or 24,000 miles – whichever comes first – from the date your battery was purchased and installed at a participating professional repair shop, you're covered with:

- A 24-hour Roadside Assistance Hotline — To be eligible for reimbursement, you must call 1-844-255-8137 to arrange for roadside assistance
- **FREE** battery replacement
- Reimbursed jumpstarts or towing
- Trip interruption reimbursement
- Locator Assistance – If your battery fails and you can't drive your vehicle to the original battery installer, call 1-844-255-8137 (toll-free) for assistance locating the nearest battery installer

*Request for reimbursements must be submitted within sixty (60) days of battery replacement date. Benefits are extended to the original purchaser only. Vehicles must be subjected to normal, non-commercial use. Customer must have a copy of their original repair invoice and be able to present it when seeking service under this warranty. Incidental or consequential damages are excluded. Additional terms and conditions apply
