

PROTECTION YOU CAN COUNT ON

Free battery replacement
and roadside assistance.

GET HELP WHERE YOU NEED IT

1-844-255-8137

If your battery fails, call for
24-hour Roadside Assistance.

Industry-leading coverage to keep you on the road.

When trouble strikes, one call is all it takes. Someone will be there to help with jump starts, towing, fluid delivery, lock-out assistance, and flat tire changes, up to \$125.*

Also, if your battery fails within 25 miles of where you purchased it and had it installed, it will be replaced and installed there again for free. If you're more than 25 miles away, you'll be referred to one of over 75,000 participating locations nationwide for the complimentary replacement and installation.

And if you're more than 100 miles from home when trouble strikes and need to stay overnight because a new battery isn't available right away, you'll also be reimbursed up to \$250 for eligible meal and lodging expenses, in addition to receiving the complimentary battery replacement and installation.

If you need assistance call 1-844-255-8137.

Service secured through any other source or dispatcher is not eligible for reimbursement.

*Reimbursement provided for all services up to \$125 once per calendar year.

Every new, professionally installed Carquest® battery is covered by Carquest Battery Assistance.*

When you purchase a Carquest battery at a participating professional repair shop and have it installed there, you're getting more than just a high-quality battery that delivers reliable starts and power every time. You're also getting the added protection and peace of mind that come from knowing you're covered by a complimentary Battery Assistance Program should anything happen.
