Bosch is known for precision, engineering, and innovation. Add style and you have the first-ever line of Bosch gauges, including replacement tachometers, speedometers, temperature and pressure gauges for all applications. See the line, available now, at most automotive retailers and boschperformance.com.

Classic style with a name you can trust

Bosch Branded Gauges represent the latest in design following our 100+ year history of Automotive, Industrial, and Racing products. The Retro line tachometers and gauges deliver style and performance while featuring a clean, easy to read look with white lettering against a black face.

FST 8050
**Retro Line 3-3/8" Tachometer**

Legendary 60’s styling reproduced with modern electronics inside with retro looks outside.

**Features:**
- 3 3/8" with 90 degree sweep
- 0-8000 RPM Range, driven by Air Core meter
- Internal setting for 1,2,4,6,8 and 10 cylinder engines, DIS ignitions covered with 2 cylinder setting
- 360 degree lighting
- All metal tachometer housing with removable chrome cup, includes 2 mounting brackets.

See pages 23 and 24 for weights & dimensions.
FST 8000

Retro Line 3-3/8" Tachometer

Born in the 70’s, this Super Tach was legendary in speed parts circles. As such this design is reproduced with modern electronics that interchange with many of the original components.

Features:
- 3 3/8" with 270 degree sweep
- 0-8000 RPM Range, driven by Air Core meter
- Internal setting for 1,2,4,6,8 and 10 cylinder engines, DIS ignitions covered with 2 cylinder setting
- 360 degree lighting
- All metal tachometer housing with removable chrome cap, includes 2 mounting brackets.

FST 7950

Retro Line 2" Electrical Fuel Level

- Traditional White and black look
- 60 degree sweep
- Standard 2" dial for 2 1/16" opening
- Requires a sender that puts out 240 Ohms Full to 33 Ohms Empty
- Requires FST 7591 Sender (sold separately)

See pages 23 and 24 for weights & dimensions.
The Sport ST™ Line is designed to match modern car interiors with a subtle metallic body and smooth exterior finish.

FST 7900
Sport ST 5” Tachometer
- 0-10,000 RPM Range, driven by vibration proof, Air Core meter
- Large 5" black dial face
- Compatible with 2, 4, 6, and 8 cylinder engines
- Pointer return to Zero feature
- Adjustable swivel mounting foot for mounting at any angle
- Unique shift light follows curved contours of the tachs body
- Soft touch outer bezel
FST 7001

**Sport ST 2" Electrical Oil Pressure Gauge**
- Range of 0-100 PSI with 90 degree sweep
- Electrical sweep mechanism featuring an air core movement
- Standard 2" dial for 2 1/16" opening
- Electrical pressure sender included
- Through dial lighting with night pointer illumination

FST 7005

**Sport ST 2" Electrical Water/Oil/Trans Temperature Gauge**
- Range of 100 -280 F with 90 degree sweep
- Electrical sweep mechanism featuring an air core movement
- Standard 2" dial for 2 1/16" opening
- Electrical temperature sender included
- Through dial lighting with night pointer illumination

FST 7025

**Sport ST 2" Mechanical Boost Gauge**
- Range of 0 -30 PSI with 270 degree sweep
- Precision mechanism for quick response
- Standard 2" dial for 2 1/16" opening
- Nylon tubing included with adapter fittings
- Through dial lighting with night pointer illumination

See pages 23 and 24 for weights & dimensions.
Sport III Tachometers

The Sport III Tachometers deliver style and performance while featuring our highest accuracy with fast needle response.

FST 7914 White/ FST 7905 Black
Sport III 5" Tachometer

- 0-10,000 RPM Range, driven by vibration proof, Air Core motor
- Large 5" dial face
- Compatible with 2, 4, 6, and 8 cylinder engines
- Pointer return to Zero feature
- Adjustable swivel mounting foot for mounting at any angle
- Dynamic blue adjustable shift light with RPM Set Point
- Solid metal housing with striking reflective chrome finish

See pages 23 and 24 for weights & dimensions.
The Sport II Tachometers deliver style and performance while featuring high accuracy with fast needle response for 90% of full scale.

Sport II 3-3/8" Tachometer
- 0-8000 RPM Range, driven by Air Core motor
- 3 3/8" dial face with 250 degree sweep
- Chrome or black bezel with mounting hardware
- Adjustable redline pointer
- Compatible with 4, 6, and 8 cylinder engines
- Functions with breaker points, electronic, and most after market ignition systems (not magnetos)

FST 7901
Sport II 3-3/8" Tachometer
Black dial face, chrome bezel

FST 7903
Sport II 3-3/8" Tachometer
White dial face, chrome bezel

See pages 23 and 24 for weights & dimensions.
Sport II Tachometers

**Sport II 2-5/8” Tachometers**

- 0-8000 RPM Range, driven by Air Core motor
- 2 5/8" dial face with 250 degree sweep
- Chrome or black bezel with mounting hardware
- Adjustable redline pointer
- Compatible with 4, 6, and 8 cylinder engines
- Functions with breaker points, electronic, and most after market ignition systems (not magnetos)

FST 7904  
**Sport II 2-5/8” Tachometer**  
White dial face, black bezel

FST 7906  
**Sport II 2-5/8” Tachometer**  
Black dial face, black bezel

FST 7911  
**Sport II 2-5/8” Tachometer**  
White dial face, chrome bezel
The Style Line™ features a clean easy to read look with a bright pointer against a white or black background.

Mounting panel included
**Style Line™ Gauges**

**2” Mechanical Gauge Features**
- Features chrome bezel with removable chrome mounting panel or black bezel with removable black mounting panel
- Standard 2” dial for 2 1/16” opening
- Includes gauge and mounting hardware
- Includes 12 Volt internal back lighting

**FST 8221 Style Line 2” EcoGauge™**
- Designed for drivers who desire to visually monitor how their driving habits affect fuel economy.
- 270 Degree sweep with ranges of poor, ideal, and decel
- Includes 72” of tubing with required fittings

**FST 8203 White / FST 8213 Black Style Line 2” Mechanical Vacuum/Boost Gauge**
- 0 – 30 in. Hg Vacuum scale, 0 - 20 PSI Boost with 270 degree sweep
- 72” tubing and fittings included

**FST 8206 White / FST 8216 Black Style Line 2” Mechanical Oil Pressure Gauge**
- Range of 0-100 PSI with a 270 degree sweep
- Includes 72” high temperature nylon tubing with 1/2” and 1/4” NPT thread fittings

**FST 8207 White / FST 8217 Black Style Line 2” Mechanical Water/Oil Temperature Gauge**
- Range of 100-250 degrees Fahrenheit with 270 degree sweep

See pages 23 and 24 for weights & dimensions.
**2" Electrical Gauges Features**
- Standard 2" dial for 2 1/16" opening
- Includes 12 Volt internal lighting
- Includes gauge and mounting hardware
- Features chrome bezel with removable chrome mounting panel or black bezel with removable black mounting panel
- Only for 12 Volt negative ground systems

**FST 8209 White / FST 8219 Black**
**Style Line 2" Electrical Fuel Level Gauge**
- E, 1/4, 1/2, 3/4, and F with a 60 dial sweep
- Requires Fuel level sender FST 7591

**FST 8205 White / FST 8215 Black**
**Style Line 2" Electrical Voltmeter Gauge**
- Range of 8 to 18 volts with a 60 degree sweep
- Requires hook up wire

See pages 23 and 24 for weights & dimensions.
FST 8201 White / FST 8211 Black
**Style Line 2” Electrical Water/Oil Temperature Gauge**
- Range of 100-280 degrees Fahrenheit
- Requires hook up wire
- Includes sending unit with 1/8” NPT thread and 1/4”, 3/8” and 1/2” adapters

FST 8202
**Style Line 2” Electrical Oil Pressure Gauge**
- Range of 0-100 PSI with a 60 degree sweep
- Requires hook up wire

FST 8204 White / FST 8214 Black
**Style Line 2” Ammeter Gauge**
- 60-0-60 Amp scale with 60 degree sweep
- Requires hook up wire

See pages 23 and 24 for weights & dimensions.
Style Line™ Triple Gauge Kits

Mini Triple Gauge Kit Features
- Includes Mechanical Water/Oil Temperature, Electrical Volmeter, and Mechanical Oil Pressure gauges
- Popular Mini gauges packaged conveniently for easy installation
- Includes 12 Volt internal lighting
- Includes 72" high temperature nylon tubing with 1/8" and 1/4" NPT thread fittings
- Only for 12 Volt negative ground systems
- Includes gauges and mounting hardware

FST 8090
Style Line 1-1/2" Mini Triple Gauge Kit

FST 8091
Style Line 1-1/2" Mini Triple Gauge Kit

FST 8092
Style Line 1-1/2" Mini Triple Gauge Kit

See pages 23 and 24 for weights & dimensions.
Style Line™ Triple Gauge Kits

Triple Gauge Kit Features
- Includes 12 Volt internal lighting
- Includes 72" high temperature nylon tubing with 1/8" and 1/4" NPT thread fittings
- Only for 12 Volt negative ground systems
- Includes gauge and mounting hardware

FST 8208
2" Triple Gauge Kit
- Includes Oil/Water Temperature FST 8207, Electrical Voltmeter FST 8205, and Mechanical Oil Pressure FST 8206
- Standard 2" white dials for 2 1/16" opening
- Features chrome bezels with removable chrome mounting panel

FST 8218
2" Triple Gauge Kit
- Includes Oil/Water temperature FST 8217, Electrical voltmeter FST 8215, and Mechanical oil pressure FST 8216
- Standard 2" black dials for 2 1/16" opening
- Features black bezel with removable black mounting panel

See pages 23 and 24 for weights & dimensions.
Universal, can be molded to fit most vehicles including:
Acura/Honda, Ford, Mitsubishi

FST 7547
Single Gauge Pod
6 1/2"-7" length, the Bosch gauge pod lets you add additional gauges to your vehicles a-pillar post quickly and easily for a clear view of engine vital statistics. Gauge pods are made of heat and U/V resistant (will not warp or fade) ABS plastic and are paintable for a custom fit and finish. Gauge pods fit all Bosch 2" gauges.

FST 7548
Double Gauge Pod
13" - 14" length, the Bosch gauge pods let you add additional gauges to your vehicles a-pillar post quickly and easily for a clear view of engine vital statistics. Gauge pods are made of heat and U/V resistant (will not warp or fade) ABS plastic and are paintable for a custom fit and finish. Gauge pods fit all Bosch 2" gauges.
Custom Line™ Gauges

The Custom Line features a clean easy to read look with white line styling against a black background.

FST 7985
Custom Line 2" Electrical Voltmeter Gauge
► Range of 8 to 18 volts
► Includes matching mounting panel
► Standard 2" dial for 2 1/16" opening
► Requires hook up wire
► Includes 12 volt internal back lighting

FST 7982
Custom Line 2" Mechanical Oil Pressure Gauge
► Range of 0-100 PSI
► Includes 72" high temperature nylon tubing with 1/8 and 1/4" NPT fittings
► Standard 2" dial for 2 1/16" opening
► Includes matching mounting panel
► Includes 12 volt internal back lighting

FST 7983
Custom Line 2" Mechanical Water/Oil Temperature Gauge
► Range of 100-280 degrees Fahrenheit
► Standard 2" dial for 2 1/16" opening
► Includes matching mounting panel
► Includes 12 volt internal back lighting

See pages 23 and 24 for weights & dimensions.
Custom Line™ Triple Gauge Kit

FST 7994

Custom Line Triple Gauge

- Combination of Oil, Volts, and Temp in one matching black panel
- Same scales as standard Custom line gauges
- Allows for custom under dash installation without additional items to purchase
- Includes matching mounting panel
- Includes 12 volt internal back lighting

See pages 23 and 24 for weights & dimensions.
Bosch hour meters provide precise, tamper proof records for determining the operating periods of an engine in elapsed hours.

FST 7951
**Digital Hour Meter**
- Digital display that records in hours and tenths
- Records up to 100,000 hours
- Only records in run position
- Works with 12 or 24 Volt systems
- Uses standard 2" opening
- Includes required spade type insulated terminals

FST 7953
**Analog Hour Meter**
- Analog display that records in hours and tenths
- Records up to 100,000 hours
- Only records in run position
- Works with 12 or 24 Volt systems
- Uses standard 2" opening
- Includes required spade type insulated terminals

See pages 23 and 24 for weights & dimensions.
**FST 7573  
**Metric Adapter Kit
Five brass bushings for adapting electrical oil pressure and temperature gauges and mechanical oil pressure, boost gauges/senders (except mechanical temperature gauges) to metric thread engines.

Caution: Electrical Temperature Gauges are only compatible with the M14 x 1.5 to 1/8" NPT and the M16 x 1.5 to 1/8" NPT

**Included are:**
- M10 X 1.0 to 1/8" NPT - Electrical & Mechanical Pressure and Boost gauges
- M12 X 1.0 to 1/8" NPT - Electrical & Mechanical Pressure and Boost gauges
- M12 X 1.75 to 1/8 NPT - Electrical & Mechanical Pressure and Boost gauges
- M14 X 1.5 to 1/8" NPT - Electrical Pressure & Temperature, Mechanical Pressure & Boost gauges
- M16 X 1.5 to 1/8" NPT - Electrical Pressure & Temperature, Mechanical Pressure & Boost gauges

**FST 7555  
**Temp. Sender Adapter Kit
- Includes two brass bushings to adapt mechanical oil or water temperature gauges to 1/4" and 3/8" NPT external threads

**FST 7593  
**Mini Gauge Illumination Kit
- For use with 12 volt 1-1/2" gauges with "slide-in" socket assembly

**FST 7572  
**Illumination Kit
- For 12 Volt 2" gauges (current models) with "slide-in" socket assembly
- Uses GE 363 or equivalent replacement bulb

**FST 7579  
**Single Chrome Mounting Panel
- Standard with many gauges where chrome or black bezels are provided
- Ideal for single mounting of 2" gauges

See pages 23 and 24 for weights & dimensions.
**Accessories**

**FST 7576 Temperature Sender**
- For use with electrical water temperature gauges
- Standard with 1/8" NPT
- If metric adapter is needed for your application, use adapter kit FST 7573

**FST 7591 Fuel Level Sender**
- For use with Bosch fuel level gauges and 5" - 26" deep tanks
- Includes gasket and mounting hardware
- **Resistance specifications:**
  - Empty: 240 ohms
  - 1/2: 130 ohms
  - Full: 33 ohms

**FST 7577 Oil Pressure Sender**
- For use with electrical oil pressure gauges
- Has 1/8" NPT threads and 1/4" NPT thread adapter
- Order Metric Adapter Kit FST 7573 when adapting to metric threads

**FST 7554 Nylon Tubing Kit**
- For use with mechanical pressure or mechanical boost gauges
- 1/8" and 1/4" NPT engine fittings
- 1/8" NPT gauge fitting
- 72" of high temperature nylon tubing
- If metric is needed for your application, use adapter kit FST 7573

**FST 7584 Copper Tubing Installation Kit**
- For use with mechanical pressure or mechanical boost gauges
- 1/8" and 1/4" NPT engine fittings
- 1/8" NPT gauge fitting
- 72" of soft copper tubing
- If metric is needed for your application, use adapter kit FST 7573

See pages 23 and 24 for weights & dimensions.
