**NETS**

- The HIGHLAND adjustable truck cargo net is designed to safely secure cargo inside the bed of a pick-up truck. The adjustable design allows this net to be a great solution for any size truck bed, and any size light load. It is simple to install with convenient, included hooks and it is the easiest net to use and put away as it is quick and easy to fold and store.
- Unique netting configuration holds even smaller, light loads
- Holds up under extreme weather conditions
- End sections fold to fit shorter beds
- Ideal use for light loads

*Highland Adjustable Truck Cargo Net* CPR 9500600

- HIGHLAND hammock style storage net is designed to safely secure cargo in cars, vans or sport utility vehicles. It is easy to install by using 3M tape or original equipment style screws, and it will hold up under extreme conditions. This storage net stretches 45” to 60” x 24”
- Ideal cargo storage for athletic gear
- Weather resistant
- Easy to use
- Black

*Highland Hammock Style Cargo Storage Net* CPR 9501200

- The HIGHLAND deluxe bungee truck bed storage net is designed to safely secure cargo or gear in the back of pick-up trucks. The universal design allows this net to be used in any size truck. It is easy to hook and install, and easy to adjust over gear. This truck net is an ideal solution for moving boxes, camping gear, tailgating accessories or any other light load.
- Holds up under extreme weather conditions
- Durable bungee material stretches to fit
- Easy to hook to a truck’s anchor points
- Ideal use for light loads

*Highland Deluxe Bungee Truck Bed Storage Net* CPR 9500500
