## WIRING & ACCESSORIES ELECTRICAL TOOLS

- Available in many different styles including PVC and weatherproof
- A large selection of wire gauges available
- Conveniently packaged in a variety of piece counts to assist with both small and large projects
- Also suitable for a broad range of household, industrial and commercial uses

**AutoCraft 22-10 Gauge Terminal Kit with Crimper, 100 Piece AEL 85691**

## WIRING & ACCESSORIES TAPE

- Best custom PVC electric black color tape
- Not flame retardant
- Automotive circuit connection insulation protection

**AutoCraft Electrical Tape, 3/4", Black, 60' AEL AC486**

- Best custom PVC electric 5 colors tape
- Not flame retardant
- Automotive circuit connection insulation protection

**AutoCraft Electrical Tape, 3/4", Multicolor, 12', 5 Pack AEL AC487**

- Brush-On Electrical Tape can make your electrical repairs foolproof.
- It helps to waterproof connections and is great for hard-to-reach locations.
- It outperforms electrical tape by sealing out moisture and dirt to eliminate corrosion and forms a tough flexible coating.
- It is fast-drying, absorbs vibrations and helps prevent terminal screws from loosening.

**Brush-On Electrical Tape Brush-On Electrical Tape CCM BOT55TRI**

- Available in many different styles, including heavy duty and ratcheting
- Includes built-in wire cutters and strippers (where applicable)
- Also suitable for a broad range of household, industrial and commercial uses

**AutoCraft Self Adjusting Electrical Wire Stripper/Crimper AEL 85596**

- Tests 6V & 12V circuits while power is off
- 54 in (1.3m) heavy duty core and test clip
- For use with insulated/ non-insulated terminals

**AutoCraft Wire Strip/Crimper AEL AC86260**

\* Disclaimer: Not all products listed in this catalog are stocked in all stores or DC locations. If not stocked, they are available via special order.

- Available in many different styles, including self-adjusting
- Assembly includes built-in wire cutters and crimpers (where applicable)
- May be used on a variety of wire gauges
- Also suitable for a broad range of household, industrial and commercial uses

**AutoCraft Heavy Duty Spring Loaded Wire Cutter/Stripper Pliers** AEL 86262

- Available in many different styles, including heavy duty and ratcheting
- Includes built-in wire cutters and strippers (where applicable)
- Durably designed for a long service life
- Also suitable for a broad range of household, industrial and commercial uses

**AutoCraft Heavy Duty Cutter/Crimper Tool** AEL 86263

- Available in many different styles, including heavy duty and ratcheting
- Includes built-in wire cutters and strippers (where applicable)
- Durably designed for a long service life
- Also suitable for a broad range of household, industrial and commercial uses

**AutoCraft Ratcheting Crimper Tool** AEL 86595

- Available in many different styles, including continuity and circuit testers
- Testers light up and/or buzz to indicate testing result
- Durably designed for a long service life
- Also suitable for a broad range of household, industrial and commercial uses

**AutoCraft Automotive Charging System Analyzer Tester** AEL 84502

- Available in many different styles, including continuity and circuit testers
- Testers light up and/or buzz to indicate testing result
- Durably designed for a long service life
- Also suitable for a broad range of household, industrial and commercial uses

**AutoCraft Digital Multi Tester Tool** AEL 85357

- Available in many different styles, including heavy duty and ratcheting
- Includes built-in wire cutters and strippers (where applicable)
- Durably designed for a long service life
- Also suitable for a broad range of household, industrial and commercial uses

**AutoCraft Circuit Tester & Wire Crimper/Stripper Kit** AEL 86240

**AutoCraft Audio Probe Tester**  
AEL AC86273

- Available in many different styles, including continuity and circuit testers
- Testers light up and/or buzz to indicate testing result
- Durably designed for a long service life
- Also suitable for a broad range of household, industrial and commercial uses

**AutoCraft Electrical Circuit Tester** AEL 86592

- Tests 6V & 12V circuits while power is off
- 54" (1.3m) heavy duty cord and test clip
- Tester does not illuminate if circuit is open or intermittent

**AutoCraft Tool Continuity T/R** AEL AC86598

- Available in many different styles, including continuity and circuit testers
- Testers light up and/or buzz to indicate testing result
- Durably designed for a long service life
- Also suitable for a broad range of household, industrial and commercial uses

**AutoCraft Electrical Circuit Tester** AEL 86599

- Available in many different styles, including continuity and circuit testers
- Testers light up and/or buzz to indicate testing result
- Durably designed for a long service life
- Also suitable for a broad range of household, industrial and commercial uses

**AutoCraft Electrical Continuity Tester** AEL 86611

- Available in many different styles, including continuity and circuit testers
- Testers light up and/or buzz to indicate testing result
- Durably designed for a long service life
- Also suitable for a broad range of household, industrial and commercial uses

**AutoCraft Heavy Duty Continuity Tester, 6-48V** AEL 86613

- Micro sharp tip for easy wire piercing
- LED indicator light
- Test 6 - 24 volts

**Milton Industries 6 to 24 Volt LED Indicator Circuit Tester** MIL S-1235

- Available in many different styles, including continuity and circuit testers
- Testers light up and/or buzz to indicate testing result
- Durably designed for a long service life
- Also suitable for a broad range of household, industrial and commercial uses

**Dorman Conduct-Tite Voltage & Continuity Tester - Screwdriver Type** MTM 86614

- Durably designed for a long service life
- Also suitable for a broad range of household, industrial and commercial uses

**Dorman Conduct-Tite Electrical Tester - Circuit Economy** MTM 85598

- Instant heat.
- Includes extra soldering wire, built-in spotlight, soldering paste and an extra tip.

**ToughOne Engine Soldering Gun** WIL W2012

- UL Listed.
- 110/112V, 30 watts.
- Nickel-plated tip for long life and efficient soldering.
- Wire tool rest.

**ToughOne Engine Pencil-Type Soldering Gun** WIL W2013

- CGA600 (1"-20 Right Handed thread) Valve
- Non-Refillable Tall Cylinder
- 14.1 oz. Propane

**Magna 14.1 oz. Propane Cylinder** MGT 3055558P2

- CGA600 (1"-20 Right Handed thread) Valve
- Non-Refillable Tall Cylinder

**WORTHINGTON 14.1 oz. MAP//Pro Fuel Cylinder** MGT 332401M2

- Universal fuel tip
- Additional tips in cap

**Magna 5.6 oz. Butane Refill Cylinder** MGT MT 150 B-4

- Brass pencil tip burner
- Concentrated flame for pinpoint heating
- Adjustable flame knob for economy and control
- Solid brass valve body for durability
- Includes 14.1 oz. disposable propane cylinder

**Magna Traditional Brass Pencil Tip Torch Kit** MGT MT 200-2

- Use with MAP//Pro, propane fuel or MAPP
- Replaceable orifice
- Heavy duty pencil flame torch head
- Soldering up to 1 inch copper tubing.
- Perform larger jobs than your smaller torch.

**Magna All Brass Heavy Duty Pencil Flame MAP//Pro Torch Head** MGT MT 245 C

- Self-Lighting Pocket Butane Torch
- Universal refill port
- CPSC Certified Safety Cap
- Adjustable Flame and Continuous Flame Setting
- BUTANE FUEL ONLY

**Magna Pocket Butane Torch** MGT MT 16

- Refillable, Self-Lighting Micro Butane Torch
- CPSC Certified ignition
- Adjustable fuel control
- Continuous flame lock
- Protective cap for when not in use

**Magna Multi Tip Refillable Butane Torch** MGT MT 775 C

- Butane powered torch with child-resistant automatic ignition system
- Flame Adjustment
- 3-in-1 Torch Tip: Precision Flame Tip, Hot Blow Tip & Solder Tip
- Adjustable, wind-resistant flame
- Runs for approximately 90 minutes (minimum setting) on each fill

**Magna 3-in-1 Table Top Refillable Butane Torch** MGT MT 780

## WIRING & ACCESSORIES SOLDER

**AutoCraft Wire Ties, 8", Red, 20 Pack** AEL 83900

**AutoCraft Wire Ties, 8", Black & White, 20 Pack** AEL 83761

**AutoCraft Wire Ties, 8" & 11", Black, 50 Piece** AEL 83750

**AutoCraft Wire Ties, 14", Black, 100 Pack** AEL 83747

Image Shown:  
83741

- Many different lengths and tensile strengths available
- Conveniently packaged in a variety of piece counts to assist with both small and large projects
- Suitable for a broad range of household, industrial and commercial uses

**AutoCraft Wire Ties, Heavy-Duty Stainless Steel, 11", 10 Pack** AEL 83916

# WIRING & ACCESSORIES

## ACCESSORIES

- Easy to use
- It Is Widely Used in Boat/marine, Windshield, Car, UTV and Home etc.

**AutoCraft Rubber Clamp Assortment** AEL AC85605

- Carbon steel with zinc plating
- Neoprene rubber
- Rubber lining absorbs vibrations and jolts, reducing wear and tear on cables and hoses

**AutoCraft Cable Clamp, 3/8"** AEL AC86102

- Available in many different styles, including battery clamps, nylon clamps, and charging clamps
- A large selection of amperages and diameters available
- Conveniently packaged in a variety of piece counts to assist with both small and large projects
- Also suitable for a broad range of household, industrial and commercial uses

**AutoCraft Black Nylon Clamp Assortment 1/8", 3/16", 1/4"** AEL 86108

- Available in many different sizes and diameters
- Conveniently packaged in a variety of piece counts to assist with both small and large projects
- Direct replacement Grommets available (where applicable) to ensure a proper fit
- Also suitable for a broad range of industrial and commercial uses

**Dorman Conduct-Tite 1/4" ID - 7/8" ID Assorted Grommets** MTM 85604

\* Disclaimer: Not all products listed in this catalog are stocked in all stores or DC locations. If not stocked, they are available via special order.

- Available in both insulated and uninsulated versions
- Many different lengths available
- Conveniently packaged in a variety of piece counts to assist with both small and large projects
- Also suitable for a broad range of household, industrial and commercial uses

**AutoCraft Alligator Clip Test Leads, Uninsulated** AEL 85654

- Available in both insulated and uninsulated versions
- Many different lengths available
- Conveniently packaged in a variety of piece counts to assist with both small and large projects
- Also suitable for a broad range of household, industrial and commercial uses

**AutoCraft Alligator Clip with Screw, 1-1/2"** AEL 85652

**AutoCraft Alligator Clip** AEL AC85650

- Pair of copper-clad 50-Amp metal battery clips with insulated handles

**AutoCraft Battery Clamps, 12V DC** AEL AC740/A-100

- 12VDC Battery Adapter with 3' cord.
- Copper-clad battery clips on one end, 12V female outlet on the other.
- 10-amp safety fuse.
- Power 12V accessories with a 12V battery.

**AutoCraft DC Battery Adapter, 12V** AEL AC798/A-203

- Clear instruction label using graphics to show steps required to operate extinguisher
- Easy-to-pull safety pin
- Rust- and impact-resistant nylon handle
- 2 lb. of fire extinguishing agent (average)
- UL, US Coast Guard approved

**Kidde Safety FC5 Fire Control Fire Extinguisher**  
CPM 44160MTL

- Easy to install
- Universal relay used in all types of automotive application
- 30-terminal for lights or horns
- 85-terminal for relay ground wire
- 86-terminal from switch

**AutoCraft Relay Light 40A HD** AEL ACA715A

- 12VDC, 12-amp replacement power plug.
- For use as a replacement plug on many 12V accessories.

**AutoCraft DC Replacement Power Plug, 12V**  
AEL AC742/A-200

## WIRING & ACCESSORIES

### FLEX TUBING

- 1/2" Wire
- Black
- Nylon

**AutoCraft 1/2" Wire Loom Retainer** AEL AC85656

- Black
- 3/4"
- Nylon

**AutoCraft 3/4" Wire Loom Retainer**  
AEL AC85657

- Many different lengths and tensile strengths available
- Conveniently packaged in a variety of piece counts to assist with both small and large projects
- Suitable for a broad range of household, industrial and commercial uses

**AutoCraft Spiral Tubing, 3/8", Black, 10'** AEL 86135

- Many different lengths and tensile strengths available
- Conveniently packaged in a variety of piece counts to assist with both small and large projects
- Suitable for a broad range of household, industrial and commercial uses

**AutoCraft Wire Conduit, 3/8", Red, 10'** AEL 86650

- Many different lengths and tensile strengths available
- Conveniently packaged in a variety of piece counts to assist with both small and large projects
- Suitable for a broad range of household, industrial and commercial uses

**AutoCraft Wire Conduit, 3/8", Blue, 10'** AEL 86651

- Best custom PVC electric black color tape
- Not flame retardant
- Automotive circuit connection insulation protection

**AutoCraft 1" Cold Shrink Tape, 10'** AEL AC85274

- Protects soldered connections
- Seals out moisture, flame retardant and chemical resistant
- Shrink ratio: 5%
- Operating temperature: -67 Degree F to 257 Degree F (-55 Degree C to 125 Degree C)
- Shrink temperature: 158 Degree F to 248 Degree F (70 Degree C to 120 Degree C)

**AutoCraft 2-1/2" Heat Shrink Tubing Kit, 185 Piece** AEL AC860

\* Disclaimer: Not all products listed in this catalog are stocked in all stores or DC locations. If not stocked, they are available via special order.
