• Shop and car chargers included

Bayco LED Rechargeable Under Hood Worklight BAY SLR-2120

• This rechargeable all LED Work Light has both a spotlight and a floodlight built in.
• The spotlight, located in the base of the handle, is rated at 32 Lumens.
• It’s perfect for putting a narrow beam of light into a specific area. The floodlight, rated at 230 Lumens, is designed for lighting up a large area.
• The work light has two magnets built in...one at the balance point in the middle of the handle, and the other at the tip of the light. Light will stand up on most flat surfaces, and handle keeps the floodlight aimed in the correct direction when you lay the light on its side.
• Detachable magnetic hook.
• Can be attached to either integrated body magnet and rotated 360 degrees.
• The integrated Nickel Metal Hydride battery can be recharged with the included AC or DC power supply/charger.

Bayco Dual-Function 66 LED Rechargeable Work Light Spot Light With Magnetic Hook BAY SLR-2166

• Broad beam floodlight fits into tight places
• Soft-beam flashlight for close-in illumination
• 35,000 hour LED life
• Ergonomic shape is comfortable with or without gloves
• Rugged engineered polymer housing is impact and chemical resistant
• Internal NiMH battery pack is earth friendly with no recharge memory limitations
• Full charge every time
• AC & DC charging adapters and magnetic hook included
• Top magnet is great for reaching into tight areas to retrieve metal hardware
• Meets European community directives
• Floodlight: 30 LEDs, 60 Lumens, 2 hrs.
• Softbeam Flashlight: 4 LEDs, 8 Lumens, 16 hrs.

Bayco Dual-Function 34 LED Rechargeable Work Light Spot Light With Magnetic Hook BAY SLR-2134

• Dual-brightness Floodlight - 600/225 Lumens
• Three heavy-duty integrated magnets, one at the tip of the light, one at the mid-point of the body and one built into the base for multiple hands-free uses
• Magnetic hook can be attached to either the body or tip magnets and can be rotated 360 degrees for even more hands-free versatility
• Water resistant
• Impact and chemical resistant
• Powered by integrated Lithium-ion battery
• Includes both AC and DC power supply/charger

Bayco Multi-Purpose Rechargeable Floodlight With Magnetic Hooks & Replaceable Lens BAY NSR-2168R

• Rechargeable Multi-Purpose Dual-Light Work Light is actually two lights in one...a spotlight and a floodlight.
• Rated at 200 lumens, the spotlight beam puts a beam of light exactly where you need it. Non-focused 170 lumens floodlight built into the handle. Floodlight does not have a reflector, the light spreads out in a wide even pattern of light expressly for the purpose of lighting up areas that are close by.
• Two completely different patterns of light... a spotlight for locating the problem, and a floodlight for lighting up the area while the problem is being fixed. You can even turn both lights on at the same time for even more lighting options.
• Ergonomic handle makes it easy to hold, and the flat-bottom design means it will stand up on virtually any flat surface. Work light includes a Hook/Prop Stand. Can rotate 360 degrees. When laid on its side, the hook can act as a “prop” stand, allowing the floodlight to be pointed where it will do the best job.
• Powered by an integrated Nickel Metal Hydride battery, the spotlight will run for 3 hours, the floodlight for 2.5 and when both lights are on, you’ll get 1.5 hours of run-time. This work light includes both an AC and a DC charger/power supply.

Bayco 3-in-1 LED Task Light With Adjustable Hanger - Rechargeable
• Red BAY NSR-2492

• Cree® LED technology – 50,000+ hours LED
• Momentary or constant-on flashlight
• Sharp focused flashlight beam
• Aircraft-grade 6061-T6 aluminum housing
• Type 2 hard anodized finish
• Non-slip grip
• Water resistant
• Impact & chemical resistant
• Powered by two AAA batteries (included)

Bayco Multi-Purpose Non-Rechargeable Dual-Light
BAY NSP-1224R

• This LED Work Light Reel is attached to a Heavy Duty Metal Reel with 50’ of retractable 18/2 SVT cord.
• Lightweight and virtually indestructible. It provides excellent area illumination.
• The floodlight, rated at 120 Lumens, is designed for lighting up a large area. The work light has two magnets built in...one at the balance point in the middle of the handle, and the other at the tip of the light, perfect for attaching the light wherever it’s needed.
• Handle keeps the floodlight aimed in the correct direction when you lay the light on its side. Detachable magnetic hook. Can be attached to either integrated body magnet and rotated 360 degrees.
• Includes mounting brackets that allow it to be attached to the wall or ceiling.

Bayco 60 LED Worklight With 50’ 18/2 Cord Reel BAY SL-864

• All LED construction
• Work Light has two brightness settings: 1,200 & 600 Lumens
• Two built in magnets, one at the tip of the light and the other at the mid-point of the body offer hands-free options
• Included magnetic hook can be attached to either of the built in magnets for even more versatility
• Octagonal body design keeps the light in place when laid on its side
• Attached to 50’ of 18/2 SVT cord inside of a retractable metal reel
• Includes mounting bracket for attaching the reel to the wall or ceiling
