

PERFORMANCE CHEMICALS BRAKE FLUID

- Formulated for ABS, disc or disc/drum combination brake systems
- Compatible with all other DOT 3 brake fluids
- Minimum wet boiling point 284 Deg F (140 Deg C)
- Complies with Federal Motor Vehicle Safety Standard No. 116
- Meets SAE spec. J1703

Wearever DOT 3 Premium Brake Fluid, 12 oz. WES W20013

Wearever DOT 3 Premium Brake Fluid, 1 Quart WES W20014

Wearever DOT 3 Premium Brake Fluid, 1 Gallon WES W50014

Image Shown:
W20013

- Formulated for ABS, disc and drum brake systems
- Good for all DOT 3 brake systems
- 284 Deg F (140 Deg C) minimum wet boiling point
- Complies with Federal Motor Vehicle Safety Standard 116
- Meets SAE specification J1703

Prestone Synthetic Brake Fluid, 12 fl. oz. PRS AS400

Prestone Synthetic Brake Fluid, 32 fl. oz. PRS AS401

Image Shown:
AS400

- High quality DOT 4 Fluid for your brake system needs is compatible with all DOT 3 and DOT 4 fluids
- Maximizes ABS performance
- Ideal for hydraulic & disc brakes
- Surpasses specifications SAE J1703, FMVSS no. 116 and DOT 4 motor vehicle brake fluid

Valvoline DOT 3 and 4 Brake Fluid, 12 oz. VAL 601457

Valvoline DOT 3 and 4 Brake Fluid, 32 oz. VAL 601458

Image Shown:
601457

- Pentosin DOT 4 LV is a special brake fluid of highest DOT 4 performance levels and extremely low viscosity at cold temperatures.
- It offers safety against vapor lock; it has excellent resistance to absorbing and retaining water and provides superior corrosion resistance.
- Pentosin DOT 4 LV Brake Fluid is ideal for all modern vehicles with ESP and ABS.
- DOT 4 LV can be used in all vehicles that require DOT 4 fluid.

Pentosin Dot 4 LV Brake Fluid PTN 1224116

- Pentosin Super DOT 4 Brake Fluid exceeds FMVSS 116 DOT 4, SAE J1704 and ISO 4925 Class 4 specification standards.
- Exceeds DOT standards delivering a more versatile brake fluid. Used by leading automotive manufacturers as first-fill, as well as refill.
- Especially suited for use in vehicles with ABS

Pentosin Super DOT 4 Brake Fluid, 16.9 oz. PTN 1204114

Pentosin Super DOT 4 Brake Fluid, 8.45 oz. PTN 1204112

Pentosin Super DOT 4 Brake Fluid, 1 Liter PTN 1204116

Pentosin Super DOT 4 Brake Fluid, 5 Liters PTN 1204204

Image Shown:
1204114

- For ABS, disc and drum brake systems

Wearever DOT 4 Brake Fluid, 12 oz. WES W20016

Wearever DOT 4 Brake Fluid, 1 Quart WES W20017

Image Shown: W20016

- For ABS, disc and drum brake systems

Wearever DOT 5 Silicone Brake Fluid, 12 oz. WES W20018

PERFORMANCE CHEMICALS DIESEL ADDITIVES

- Diesel Exhaust Fluid is sprayed into the diesel exhaust streams of diesel engines to lower the concentration of nitrogen oxide, NOx, in emissions.

- Engineered for use in Selective Catalytic Reduction (SCR) systems on diesel engines, CARQUEST Diesel Exhaust Fluid is comprised of a high-purity synthetic urea and deionized water mixture that improves emissions and fuel economy.

- When injected into the exhaust stream with a specialized dosing module, CARQUEST Diesel Exhaust Fluid's water vaporizes, leaving ammonia molecules en route to the catalytic converter; once there, it converts NOx molecules into harmless nitrogen and water vapor - making for cleaner emissions.

- To ensure Selective Catalytic Reduction (SCR) performance, diesel exhaust fluids must adhere to the ISO 22241 standards.

- Diesel Exhaust Fluid (DEF) is made with 32.5% urea, (NH₂)₂CO, and 67.5% deionized water. Diesel Exhaust Fluid (DEF) is non-toxic and safe to handle, but it can corrode some metals, so it must be stored and transported carefully.

CARQUEST Diesel Exhaust Fluid, 2.5 Gallons OWI DEF457

- Diesel Exhaust Fluid is sprayed into the diesel exhaust streams of diesel engines to lower the concentration of nitrogen oxide, NOx, in emissions.

- Engineered for use in Selective Catalytic Reduction (SCR) systems on diesel engines, BlueDEF diesel exhaust fluid is comprised of a high-purity synthetic urea and deionized water mixture that improves emissions and fuel economy.

- When injected into the exhaust stream with a specialized dosing module, BlueDEF's water vaporizes, leaving ammonia molecules en route to the catalytic converter; once there, it converts NOx molecules into harmless nitrogen and water vapor - making for cleaner emissions.

- To ensure Selective Catalytic Reduction (SCR) performance, diesel exhaust fluids must adhere to the ISO 22241 standards.

- Diesel Exhaust Fluid (DEF) is made with 32.5% urea, (NH₂)₂CO, and 67.5% deionized water. Diesel Exhaust Fluid (DEF) is non-toxic and safe to handle, but it can corrode some metals, so it must be stored and transported carefully.

Peak BlueDEF Diesel Exhaust Fluid, 1 Gallon OWI DEF003

Peak BlueDEF Diesel Exhaust Fluid, 2.5 Gallons OWI DEF002

Image Shown: DEF003

- Complete winter protection for air brake systems
- Prevents moisture and icing
- Prevents corrosion

CRC Air Brake Anti Freeze, 32 fl. oz. CRC 5532

* Disclaimer: Not all products listed in this catalog are stocked in all stores or DC locations. If not stocked, they are available via special order.

- Howes Diesel Treatment and Anti-Gel 64 oz. Treats up to 320 gallons of fuel (above 0 degrees Fahrenheit)
- Prevents diesel fuel from gelling
- Safely removes water from diesel fuel
- Contains no alcohol or other harmful solvents
- Increases power and fuel economy

Howes Diesel Treatment Conditioner & Anti-Gel, 64 oz. HOW 103060

- Cleans dirty injectors
- Boost cetane up to 6 numbers
- Lubricates pumps and injectors
- Improves MPG by up to 8%
- Stabilizes fuel

Image Shown: 3016

Power Service Diesel Kleen +Cetane Boost, 16 oz. LUB 3016

Power Service Diesel Kleen +Cetane Boost, 21 oz. LUB 3025

Power Service Diesel Kleen +Cetane Boost, 80 oz. LUB 3080

- Contains Real water dispersants to effectively remove moisture from the entire fuel system
- Lowers the cold filter plugging point of ULSD and Biofuels
- Prevents fuel thickening and gelling
- No alcohol
- Will not void warranties

Lucas Oil Products Anti-Gel Cold Weather Diesel Treatment, 1 Quart LCS 10865

- Treats up to 320 gal of diesel fuel
- Microbes in the form of bacteria and fungus are present in all diesel fuels
- Long periods of fuel storage can create ideal opportunities for microbes to grow in fuel tanks
- The first indication of microbial contamination is mucous-like accumulations on fuel-filters and increased requirements for fuel-filter replacement
- Microbes can only be removed from the fuel system by use of a diesel fuel biocide

Bio-Kleen Bio Kleen Biocide, 16 oz. LUB 9016

- Effective in all diesel fuels, including ULSD (Ultra-Low Sulfur Diesel) and biodiesel blends containing up to 20% biodiesel (B20); complies with the federal low sulfur content requirements for use in diesel motor vehicles and non-road engines
- De-ices frozen fuel filters, reliquifies gelled fuel and removes water from diesel tanks
- Contains Slickdiesel for fuel lubrication
- Protects against wear from USLD

Power Service Diesel + 911, 32 fl. oz. LUB 8025

- Reduces particulate matter in filters
- Cleans fuel injectors
- Restores power loss
- Improves acceleration

Lucas Oil Products Diesel Deep Clean, 16 oz. LCS 10872

- Prevents fuel-filter icing
- Reliquifies gelled fuel in minutes
- Removes water from fuel system; helps extend life of fuel-filters, fuel-injection pumps and fuel injectors
- Contains Slickdiesel for maximum fuel lubrication; protects against Low and Ultra Low Sulfur Diesel (ULSD) wear
- ULSD compliant; contains less than 15 parts per million (ppm) sulfur

Power Service Diesel 9-1-1, 80 oz. LUB 8080

- K100-D is a bio-based formulation that cures and prevents water contamination to help eliminate microbe growth in diesel fuel.
- K100-D adds 20-40% lubricity to ULSD and off-road fuels, upgrades fuel quality for reduced emissions, better mileage, easier starts, smoother idle, more power and faster acceleration.
- It works to clean dirty fuel systems, increases the shelf life of the fuel and modifies the fuel to increase atomization and improve the fuel/energy conversion process.

K100 Diesel Fuel Treatment KFT K100D-32

- Effective in all diesel fuels, including ULSD and biodiesel blends containing up to 20% biodiesel (B20)
- Prevents fuel gelling in temperatures as low as -40 Deg F; boosts cetane up to 4 numbers for fast cold starts
- Contains anti-icing additives; protects against fuel filter icing
- Slickdiesel for improved fuel lubrication and protection against Low and Ultra Low Sulfur Diesel
- Treats up to 40 gallons

Power Service Diesel Fuel Supplement Plus Cetane Boost, 16 oz. LUB 1016

Power Service Diesel Fuel Supplement Plus Cetane Boost, 32 oz. LUB 1025

Power Service Diesel Fuel Supplement Plus Cetane Boost, 80 oz. LUB 1080

Image Shown: 1016

- One 20 oz. bottle of Techron D Concentrate, Diesel Fuel System Cleaner treats up to 35 gallons of diesel fuel every 3,000 miles (not recommended for gasoline engines)
- Maximize fuel economy by restoring dirty fuel injectors to like-new condition
- Removal of the natural buildup of carbon deposits through the entire fuel system
- Clean internal diesel injector deposits (IDID), and indirect injection (IDI) and high speed direct injection (HSDI) nozzle-coking deposits
- Restore lost engine power

Chevron TECHRON D Concentrate Diesel Fuel System Cleaner, 20 oz. CHV 37718

Image Shown: 9225

- Dispenses contamination, removes water, prevents filter plugging

Power Service Clear-Diesel Fuel & Tank Cleaner, 32 oz. LUB 9225

Power Service Clear-Diesel Fuel & Tank Cleaner, 80 oz. LUB 9280

- Improves Cetane rating, more power and performance
- Gives cold weather protection, helps remove water

Stanadyne Performance Formula Diesel Fuel Additive Treatment LUB STAN38565

* Disclaimer: Not all products listed in this catalog are stocked in all stores or DC locations. If not stocked, they are available via special order.

- Recommended where fuel system wear is a problem
- Helps remove water by demulsification
- Treatment ratio 1:1000 gallons

Stanadyne Lubricity Formula Highly Concentrated Diesel Fuel Additive LUB STAN38560

- Use every 1,000 miles or as needed to help keep injectors clean
- One 12 ounce bottle treats up to 12 gallons of fuel
- Techron technology is designed to treat fuel injector deposit build-up problems

Chevron Techron Fuel Injector Cleaner, 12 oz. CHV 266703279

- Remove deposits
- Prevent fuel line freezes
- Save gas

STP Diesel Fuel Injector Treatment, 20 fl. oz. STP 78380

Image Shown: 67740

- Cleans, restores, protects the entire fuel system (fuel injectors, carburetors, intake valves and combustion chambers)
- Automobiles and trucks use every 3,000 miles or at your next oil change.
- Restores: lost power, acceleration, lost fuel economy, and operation of the fuel gauge sensor
- Reduces: rough idle, engine surge, hesitation, and spark plug fouling
- Improves: cold start performance, and fuel stability for up to one year

Chevron Techron Complete Fuel System Cleaner, 12 oz. CHV 67740

Chevron Techron Complete Fuel System Cleaner, 20 oz. CHV 65740

Chevron Techron Complete Fuel System Cleaner, 32 oz. CHV 37801

PERFORMANCE CHEMICALS FUEL SYSTEM CLEANERS

- For use in gasoline engines only with tanks up to 21 gallons
- Helps reduce emissions and restore fuel injector's proper spray pattern, improving overall engine performance
- Active jet fuel additives boost cleaning performance and overall protection of fuel injectors
- May be used in conjunction with other fuel additives

CARQUEST Super Concentrated Fuel Injection Cleaner, 12 fl. oz. CCM 506

- Restores fuel system to like-NEW in 1-Tank
- Reduces engine knock, ping and run-on
- Restores lost engine performance & fuel economy
- Innovative formula with real tests results
- G2P Technology reduces emissions

CRC Gasoline 1-Tank Power Renew, 15 fl. oz. CRC 5815

- Helps restore fuel injector and carburetor performance
- Jet fuel used as carrier
- Intended for use in gasoline engines only
- Keeps the fuel system free of harmful deposits to help improve overall engine performance

CARQUEST Fuel Injector and Carburetor Cleaner CCM 550

- Even high-quality fuel can leave behind carbon deposits and corrosion from ethanol and water.
- Gumout Regane Complete Fuel System Cleaner conditions fuel against corrosion to help extend the life of key engine parts, while using PEA (polyether-amine) to effectively remove deposits other products can't, for maximized performance and fuel economy.

Gumout Regane Complete Fuel System Cleaner, 6 oz. GUM 800001364

- Engines with over 75,000 miles can suffer from extensive carbon deposits and excess friction.
- Gumout Regane High Mileage Fuel System Cleaner reduces friction in the upper cylinder to improve fuel economy, while using PEA (polyether-amine) to effectively remove deposits other products can't for restored performance.

Gumout Regane High Mileage Fuel System Cleaner, 6 oz. GUM 800001365

- Reduce hydrocarbon emissions
- Maintain catalytic converter efficiency
- Safe for all gasoline diesel and hybrid engines
- Easy to use simply pop; pour and go

Prestolite Cataclean Fuel And Exhaust System Cleaner CCN 120007

- Greatly reduces harmful NOx emissions
- Removes carbon deposits
- Totally eliminates knocking and pinging
- Raises MPG and performance

Lucas Oil Products Deep Clean Fuel System Cleaner, 5.25 oz. LCS 10669

* Disclaimer: Not all products listed in this catalog are stocked in all stores or DC locations. If not stocked, they are available via special order.

- A great tune-up in a bottle
- Cleans and lubricates the fuel system
- Neutralizes low sulfur fuel problems
- Increases power and miles per gallon by burning excess exhaust emissions
- Increases the life of pumps and injectors

Lucas Oil Products Complete Fuel System Cleaner Kit
LCS 10966

- Increases power, performance, mileage and saves gas by cleaning & lubricating the complete fuel system.
- Helps eliminate noisy injectors & fuel pumps, rough idle, hard starting and hesitation.
- Reduced fuel system maintenance and emission control equipment.
- Improves and restores fuel efficiency of engine oil.

Rislone Gas Fuel System Treatment, 16.9 oz.
SHA 4700

- Clean fuel injectors and keeps them clean
- Reduces intake valve deposits and combustion chamber deposits
- Lubricates critical components in the fuel system and engine
- Stops knocking and hesitation
- Restores lost power and MPG

Lucas Oil Products High Mileage Fuel Treatment, 5.25 oz.
LCS 10977

- Save gas by deep cleaning the entire fuel system
- Restore peak performance
- Reduces friction
- Prevent ethanol deposits
- Inhibits corrosion

STP Ultra 5-in-1 Fuel System Cleaner, 12 fl. oz. STP 17437

- A great tune-up in a bottle
- Cleans and lubricates the fuel system
- Neutralizes low sulfur fuel problems
- Increases power and miles per gallon by burning excess exhaust emissions
- Increases the life of pumps and injectors

Lucas Oil Products Fuel Treatment UCL & Injector Cleaner, 5.25 oz. LCS 10020

Lucas Oil Products Fuel Treatment UCL & Injector Cleaner, 1 Quart LCS 10003

Lucas Oil Products Fuel Treatment UCL & Injector Cleaner, 1 Gallon LCS 10013

Image Shown: 10020

- Save gas by keeping fuel intake system clean
- Restore performance
- Remove deposits
- Inhibit corrosion

STP Complete Fuel System Cleaner, 12 fl. oz.
STP 78358

- Greatly reduces harmful NOx emissions
- Removes carbon deposits
- Totally eliminates knocking and pinging
- Raises MPG and performance

Lucas Oil Products Deep Clean Fuel System Cleaner, 16 oz. LCS 10512

- With regular use, prevents future deposit build-up
- Removes deposits from the fuel sending unit which can cause erratic fuel gauge readings
- Reduces need for higher octane gasoline and improves gas mileage
- Lowers exhaust emissions and removes moisture from the fuel system

Valvoline Chemicals Complete Fuel System Cleaner, 12 oz. VAL 601456

- Removes up to 99% more deposits than gasoline alone
- Provides top end lubrication, essential for restoring power and fuel economy
- Advance engine technology stabilizes fuel for months and helps promote easy start-ups
- Prevents rust and corrosion from Ethanol containing fuels
- Use in all engines including GDI & Hybrids

Marvel Mystery Oil Ultimate Fuel & Motor Treatment, 12 oz. MRV 50665

- Use every 1,000 miles or as needed to help keep injectors clean
- One 20 ounce bottle treats up to 20 gallons of fuel
- Techron technology is designed to treat fuel injector deposit build-up problems

Chevron Techron Fuel Injector Cleaner, 20 oz.
CHV 266703280

- 3-in-1 fuel additive keeps new engines clean and improves vehicle's performance
- Improves fuel economy an average of 3.2 percent
- Increases horsepower an average of 2.6 percent
- Reduces hydrocarbon, NOx and CO emissions (on average 12, 13 and 18-percent respectively)
- Prevents rough idle, hesitation and stalling

Royal Purple Max-Clean Fuel System Cleaner & Stabilizer RPO 11722

- Use every 3,000 miles

CARQUEST Fuel Injector Cleaner GUM 7918

* Disclaimer: Not all products listed in this catalog are stocked in all stores or DC locations. If not stocked, they are available via special order.

- Use every 3,000 miles

Shell Gumout Concentrated Carburetor Cleaner
GUM 7563

- Cleans entire fuel system
- Lubricates upper cylinders
- Maximizes power and mileage

Restore Upper Cylinder Lubricant & Injector Cleaner
RSR 50106

- Gumout High Mileage Fuel Injector Cleaner is designed for high mileage vehicles. It cleans fuel injectors, intake valves and ports.
- High Mileage Fuel Injector Cleaner prevents future deposit build-up for vehicles over 75,000 miles.
- It is safe for use in turbo and supercharged vehicles.
- It helps reduce emissions and will not void OEM/manufacture's warranty.

Gumout High Mileage Fuel Injector Cleaner, 6 oz.
GUM 800001363

- Smooth's Rough Idle
- Eliminates Hard Starts
- Quiets Noisy Fuel Systems

Rislone Injector Cleaner, 6 oz. SHA 4701

- Engine performance is affected by everything from carbon deposits and corrosion to heat and friction.
- Gumout All-In-One Complete Fuel System Cleaner uses PEA (polyether-amine) to effectively remove carbon deposits other products can't for improved performance across the fuel system.
- All-In-One also helps extend the life of key engine parts by conditioning fuel to fight corrosion, and helps improve horsepower and fuel economy by reducing friction in the upper cylinder.

Gumout All-In-One Complete Fuel System Cleaner, 6 oz.
GUM 800001366

- Save gas by cleaning dirty fuel injectors
- Restore performance
- Remove deposits

STP Super Concentrated Fuel Injector Cleaner, 12 fl. oz., 2 Pack STP 17108

- Gumout Concentrated Fuel Injector Cleaner helps to clean fuel injectors, prevent future deposit buildup and restore lost horsepower.
- Now in a 2X concentrated formulation for the same dependable performance in a smaller bottle.

Gumout Fuel Injector Cleaner, 6 oz. GUM 800001371

- Remove deposits
- Restore performance
- Inhibit corrosion
- Save gas

STP Direct Injection Fuel Injector Cleaner, 12 fl. oz.
STP 17879

- Gumout Carb and Fuel Injector Cleaner helps clean fuel injectors, prevent future deposit buildup and restore lost horsepower.
- Now in a 2x concentrated formulation.

Gumout Fuel Injector/Carburetor Cleaner, 6 oz.
GUM 800001373

- Save gas by cleaning dirty fuel injectors
- Prevents deposit buildup
- Reduces friction

STP High Mileage Fuel Injector & Carburetor Treatment, 12 fl. oz. STP 515

- Restores fuel economy
- Stabilizes ethanol
- Maximizes horsepower
- Improves responsiveness
- For use in both gasoline and diesel engines

Royal Purple Max Atomizer Fuel Injector Cleaner
RPO 18000

- Save gas by cleaning dirty fuel injectors
- Restore performance
- Remove deposits

STP Super Concentrated Fuel Injector Cleaner, 12 fl. oz. STP 506

* Disclaimer: Not all products listed in this catalog are stocked in all stores or DC locations. If not stocked, they are available via special order.

- Cleans fuel injectors and carburetors to improve fuel economy

CARQUEST Super Concentrated Fuel Additive TCC 4695-6

- Safely removes intake valve and chamber deposits
- Apply through gas fuel-injection throttle body or carburetor throat
- Critical for Gasoline Direct Injection (GDI) engines
- Lubricates throttle plates, bushings and upper cylinders
- Use to protect intake and cylinder areas during storage

Sea Foam Spray Cleaner and Lube, 12 oz.
SEA SS14

Valvoline MaxLife High Mileage Fuel System Cleaner, 12 oz. VAL 844762

- Eliminates hesitation and rough idle
- Removes harmful deposits
- Improves MPG
- Dries fast

CRC Throttle Body & Air-Intake Cleaner, 12 wt. oz. CRC 5078

- Helps improve acceleration, power and performance
- Eliminates hesitation and rough idle caused by deposits
- Removes moisture from the fuel system
- Just add contents to fuel tank prior to fill up, treats up to 20 gallons of fuel

Valvoline Chemicals Fuel Injector +Intake Valve Cleaner, 12 oz. VAL 602376

- Restores Performance
- Reduces Emissions
- Saves Gas
- For use in gasoline engines

CRC Guaranteed To Pass Emissions Test Formula, 12 fl. oz. CRC 5063

- Helps save gas by keeping intake valves and fuel injectors clean
- Removes moisture from the fuel system
- Add entire contents to fuel tank prior to fill up, treats up to 20 gallons
- For best results, use every 1,000 miles

Valvoline Chemicals Fuel Injector Cleaner, 12 oz. VAL 602378

- Removes up to 46% deposits in 1 hour
- 150X more concentrated than fuel additives
- Highest % PEA detergency

CRC GDI IVD Intake Valve & Turbo Cleaner, 11 wt. oz. CRC 5319

PERFORMANCE CHEMICALS INTAKE CLEANERS

- Effectively cleans the throttle body for a smooth running engine

CARQUEST Air Intake Cleaner CCM 1075

- Improves car idle for more consistent vehicle performance
- Creates more responsive acceleration
- Produces better fuel economy
- Reduces engine knocks and pings for improved engine performance
- Affordable price potentially saves money spent on maintenance

3M Intake System Cleaner, 9 oz. MMM 8958

* Disclaimer: Not all products listed in this catalog are stocked in all stores or DC locations. If not stocked, they are available via special order.

- Easy to use
- Effective
- Oxygen sensor safe
- Clean burning
- 100% cleaning solution

3M Universal Fuel System Cleaner, 12 oz. MMM 8955

- Prevents Phase Separation
- Stabilizes Fuel up to 2 years
- Complete Injector Cleaner
- Octane Booster
- Superior Lubricator

K100 Gasoline Fuel Treatment KFT K100MG-8

- Restores fuel economy, power and performance
- Cleans fuel injectors, intake valves, and combustion chambers

3M Universal Fuel System Cleaner Kit
MMM 8911

- Cleans injectors, valve seats, combustion chambers and other critical fuel component
- Stabilizes fuel and prevents varnish & gum formation in ethanol and gasoline
- Combats deposits and protects your engine oil lubricants from the harmful effects of alcohol combustion

Lucas Oil Products Safeguard Ethanol Fuel Conditioner w/Stabilizer, 16 oz. LCS 10576

- Kit contains Fuel System Cleaner and Free Multi-Purpose Lube

3M Fuel System Cleaner Promo Pack MMM 38813

- Save gas by keeping fuel intake system clean
- Prevent deposit buildup
- Prevent fuel line freeze

STP Gas Treatment, 12 fl. oz. STP 132

STP Gas Treatment, 12 fl. oz., 2 pack STP 17107

Image Shown: 132

- Improves car idle for more consistent vehicle performance
- Creates more responsive acceleration
- Produces better fuel economy
- Reduces engine knocks and pings for improved engine performance
- Affordable price potentially saves money spent on maintenance

3M Intake System Cleaner Kit MMM 8962

PERFORMANCE CHEMICALS

FUEL STABILIZERS

PERFORMANCE CHEMICALS GAS TREATMENTS

- Stabilizes gasoline for up to 2 years
- Cures ethanol problems
- Makes engines run smoothly
- Rejuvenates old fuel
- Makes engines start easily

Star Tron Enzyme Fuel Treatment CHM 14308

- K100-G is a bio-based formula that cures and prevents water contamination to help eliminate the danger of phase separation in E-10 fuel.
- K100-G upgrades fuel quality for reduced emissions, better mileage, easier starts, smoother idle, more power and faster acceleration.
- It works to clean dirty fuel systems, increases the shelf life of the fuel and modifies the fuel to increase atomization and improve the fuel/energy conversion process.

K100 Gasoline Fuel Treatment KFT K100G-8

- Keeps fuel fresh for up to 12 months during storage
- Eliminates the need to drain fuel prior to storage
- Ensures quick, easy starts after storage
- Prevents gum and varnish build-up
- Effective in all gasoline, including Ethanol blends

Sta-Bil Fuel Stabilizer Blister Card, 4 fl. oz. GOL 22204

Sta-Bil Fuel Stabilizer, 8 oz. GOL 22208

Sta-Bil Fuel Stabilizer, 10 fl. oz. GOL 22206

Sta-Bil Fuel Stabilizer, 16 oz. GOL 22207

Sta-Bil Fuel Stabilizer, 32 fl. oz. GOL 22214

Image Shown: 22204

- Vapor technology protects engine and fuel system above and below the fuel line.
- Helps prevent Ethanol fuel related damage in vehicles and small engines.
- Helps prevent corrosion damage and helps remove water.
- Stabilizes fuel to keep it fresh during storage.
- Helps clean fuel system for improved in-season performance.

Sta-Bil 360 Performance w/Vapor Technology, 4 fl. oz. GOL 22265

Sta-Bil 360 Performance w/Vapor Technology, 10 fl. oz. GOL 22264

Image Shown: 22265

* Disclaimer: Not all products listed in this catalog are stocked in all stores or DC locations. If not stocked, they are available via special order.

- Vapor technology protects engine and fuel system above and below the fuel line.
- Helps prevent Ethanol fuel related damage in vehicles and small engines.
- Helps prevent corrosion damage and helps remove water.
- Stabilizes fuel to keep it fresh during storage.
- Helps clean fuel system for improved in-season performance.

Sta-Bil 360 Performance Small Engine Formula Blister Card, 4 fl. oz. GOL 22295

- Vapor technology protects engine and fuel system above and below the fuel line.
- Helps prevent Ethanol fuel related damage in Boats
- Enhanced water removal and helps prevent corrosion damage.
- Stabilizes fuel to keep it fresh during storage.
- Helps clean fuel system for improved in-season performance.

Sta-Bil 360 Marine with Vapor Technology, 8 fl. oz. GOL 22239

- Additive ensures quick easy starts after extended storage, and ensures smooth idling and performance in season
- For all 2 and 4-cycle small engines
- Revitalizes fuel and the entire fuel system
- Made in the U.S.A.

Start Your Engines Fuel System Revitalizer, 2 fl. oz. GOL 21214

- Reduces engine knocking and pinging
- Raises octane rating up to 30 points or 3 numbers
- Restores power and fuel economy

Royal Purple Max Boost Octane Boost RPO 11757

- Formulated to increase octane level and "Anti-Knock" effectiveness.

Turbo 108 Octane Boost CCM NA30

- Boosts octane
- Reduces knocking and pinging
- Helps restore performance

STP Octane Booster, 12 fl. oz. STP 65382

PERFORMANCE CHEMICALS

LEAD SUBSTITUTE

- Replaces lead protection
- Contains valve seat anti-wear additive
- Intended for off-road use

Motor Medic Lead Substitute VAL M5012

- Safe for turbos, oxygen sensors and catalytic converters
- Suitable for use in fuel injected and carbureted engines
- Provides more boost than most other brands
- Promotes clean fuel burn for fewer emissions

Lucas Oil Products Octane Booster, 15 oz. LCS 10026

PERFORMANCE CHEMICALS

OCTANCE BOOST

- Increases Horsepower
- Contains no lead or alcohol

CRC Octane Boost CCM 1070

- Increases octane up to 7 points.
- Contains MMT. The most effective octane booster known.
- For off-road and racing use only.
- Will not harm sensors or catalytic converters.

Turbo 108 Racing Fuel Concentrate, 16 oz. CCM NA35

PERFORMANCE CHEMICALS

WATER REMOVERS

- Safe for use in all 4-cycle engines including fuel injected engines
- Prevents gas-line freeze-up
- Removes water from fuel system
- Prevents rust and corrosion
- Made in the U.S.A.

HEET Gas-Line Antifreeze and Water Remover, 12 fl. oz. HEE 28201

* Disclaimer: Not all products listed in this catalog are stocked in all stores or DC locations. If not stocked, they are available via special order.

- Absorbs 5 times more water than regular gas-line antifreeze
- Cleans fuel injectors and carburetors
- Designed for year round use in all 2-cycle and 4-cycle gas & diesel engines
- Removes water from fuel system-Prevents rust and corrosion
- Made in the U.S.A.

HEET Premium Fuel-line Antifreeze Water Remover & Injector Cleaner, 12 fl. oz. HEE 28202

- #1-Selling Penetrant
- Breaks Free Rusted or Frozen Parts
- Protects Against Further Rust and Corrosion
- Use on Automotive, Industrial, Marine, Plumbing & Other Equipment

Image Shown: 16PB

Blaster The Original PB B'laster Penetrant, 11 oz. BLT 16PB

Blaster The Original PB B'laster Penetrant, 1 Gallon BLT 128PB

PERFORMANCE CHEMICALS

PENETRATING OILS

- Deeply penetrates and dissolves gum, rust and corrosion
- CARQUEST Loosen It! Penetrating Oil CCM 1050**

- Stops squeaks
- Cleans and protects
- Loosens rusted parts
- Frees sticky mechanisms
- Drives out moisture

WD-40 Multi-Use Penetrant with Smart Straw, 3 oz. WD 49000

WD-40 Multi-Use Penetrant with Smart Straw, 8 oz. WD 49002

WD-40 Multi-Use Penetrant with Smart Straw, 12 oz. WD 49005

WD-40 Multi-Use Penetrant with E-Z Reach, 14.4 oz. WD 49019

WD-40 Multi-Use Penetrant, Big Blast Can, 18 oz. WD 49009

WD-40 Multi-Use Penetrant, 1 Gallon WD 49011

WD-40 Multi-Use Penetrant, 5 Gallon WD 49012

Image Shown: 49000

- LIMITLESS APPLICATIONS
- Solvent Free
- Safe on all metals, plastics & painted surfaces
- Non-hazardous - Non-toxic
- Long lasting

Fluid Film AS11 Rust & Corrosion Inhibitor - Penetrant & Lubricant, 11.75 oz. Aerosol AGL 207

Fluid Film CNAS Rust & Corrosion Inhibitor - Penetrant & Lubricant, 1 Gallon AGL 12207

Fluid Film PNAS Rust & Corrosion Inhibitor - Penetrant & Lubricant, 5.26 Gallons AGL 3207

Image Shown: 207

- Freezes and cracks rust
- No job is too tough

CRC Freeze-Off Super Penetrant, 11.5 wt. oz. CRC 5002

- Equipped with an LED light source for dark areas and tight spaces
- Radial dial for multiple delivery methods including an off switch
- Fast-acting, anti - seize formula that penetrates corrosion, loosening rusted bolts and parts
- Lubrication that stops squeaks, displaces moisture and prevents corrosion

Liquid Wrench Pro Penetrant & Lubricant Powered by FlashSight Technology, 11 oz. RAD LED411

- Frees stuck nuts, bolts & locks
- Dissolves rust & cuts through grease
- Low odor, low VOC, and safe on painted surfaces
- Use on garden hose nozzles, clamps, pipes and frozen mechanisms & clean off battery terminals

Liquid Wrench Penetrating Oil RAD L1-12

- Protects metal from high humidity, salt water, salt spray, extreme heat, and sub-zero temperatures
- No-mess film does not freeze, melt, dry or crack
- Penetrates, lubricates and displaces moisture
- Features state of the art Cerflon solid lubricant for superior durability and long-lasting lubrication
- 50-State compliant

Liquid Wrench Rust Inhibitor RAD LC9

- Powerful penetrant and lubricant
- Breaks stubborn metal corrosion
- Use to lube & protect metal parts, guns and tools
- Stays fluid under extreme heat/cold
- Goes on light and thin, lasts long

Sea Foam Deep Creep Aerosol, 12 oz. SEA DC14

* Disclaimer: Not all products listed in this catalog are stocked in all stores or DC locations. If not stocked, they are available via special order.

PERFORMANCE CHEMICALS

MULTIPURPOSE LUBRICANTS

- Frees stuck nuts, bolts and locks
- Stops squeaks and decreases noise

CARQUEST Multipurpose Lubricant CCM 1020

- Reduce Friction & Wear
- Protect Surfaces
- Enhance Performance
- Over 1000 Indoor & Outdoor Applications
- Light Vanilla Scent

Blaster Pro-Grade Multi-Purpose Lubricant, 8 oz.
BLT PB-50

- Marine Formula
- Starts wet engine
- Protects against corrosion

CRC 6-56 Multi-Purpose Lube CRC 6006

- Starts wet engines and drives out moisture that can cause electrical failures and hard starting
- Penetrates deep through rust and corrosion to loosen frozen parts.
- Longer-lasting, superior lubrication that resists water and salt spray
- Protects against saltwater corrosion of electronic equipment, fishing reels, winches, pulleys and other metal components

CRC 6-56 Multi-Purpose Lubricant, 11 wt. oz. CRC 6007

- Penetrates fast, stop squeaks
- Fights corrosion
- Odor-free

CRC Multi-Purpose Power Lube CRC 5005

- Effective up to 850 Deg. F constant
- Excellent conductivity
- Dries rapidly at room temperature

CRC Dry Graphite Lube, 10 oz. CRC 3094

- Stops squeaks & ease sticking parts
- Protects against rust & corrosion
- Soaks into gaps & displaces moisture
- Use for light to medium lubrication on exterior locks, electronic appliances and small hinges

Liquid Wrench Lubricating Oil RAD L2-12

- Applies wet, dries quickly
- Leaves a durable dry powder
- Works into surface for lasting lubrication
- Use on interior door hinges, windows & locks

Liquid Wrench Dry Lubricant RAD L512

- Apply to any chain or wire cable
- Stays put on moving parts to reduce friction
- Reduces wear & noise
- Use on bicycles, motorcycles, throttle cables & garage door chains

Liquid Wrench Chain Lube RAD L711

- Penetrating Oil

Lubriplate Chain and Cable Fluid LUR L0135-063

- A premium household oil that lubricates and protects
- Convenient dropper bottle

Solder Seal/Gunk Light Machine Oil RAD L10-04

- Prevents rust formation
- Provides positive lubrication for smooth starting
- Dissolves gum and sludge that cut down tool speed and reduce power output
- Extends the life of your tools
- Assures maximum performance

Marvel Mystery Oil Air Tool Oil, 4 oz. MRV MM080R

- Odorless, a must for hunting firearms
- Great for use on compound bows
- An excellent general purpose household lubricant
- Superior to any competitors oil products, at a lower cost

Lucas Oil Products Gun Oil, 2 oz. LCS 10006

* Disclaimer: Not all products listed in this catalog are stocked in all stores or DC locations. If not stocked, they are available via special order.

- Lasts twice as long as grease
- Eliminate greasy mess on chassis and air hoses
- Virtually waterproof

Lucas Oil Products 5th Wheel & Slider Lube, 1 Pint
LCS 10030

PERFORMANCE CHEMICALS SILICONE LUBRICANT

- Stops sticking and squeaking on nylon, rubber, metal surfaces

CARQUEST Heavy Duty Silicone Spray CCM 1055

- Teflon Fluoropolymer Enhances Performance
- Long-Lasting Lubrication
- Won't Accumulate Dust & Dirt

Blaster Industrial Strength Silicone Lubricant,
11 oz. BLT 16SL

- Provides a slick coat of protection
- Waterproofs parts and stops rust
- Protects life of metal & non-metal surfaces
- Use on snow and garden shovels, snow blowers, and wheelbarrows

Liquid Wrench Silicone Spray RAD M914

- A longer-lasting, high film strength protective lubricant
- Safe for rubber, metal, wood, glass, and plastic
- Won't melt, freeze, gum, or run off. Performs from -20 Deg F to +400 Deg F

American Grease Stick Co. Sil-Glyde Silicone
Lubricant, Tube, 8 oz. AGS SG8

PERFORMANCE CHEMICALS LITHIUM GREASE

- Heavy Duty lubricant for metal to metal applications such as hinges

CARQUEST White Lithium Grease CCM 1065

- Keep Surfaces Lubricated in Extreme Temperatures
- Protects Against Moisture & Oxidation
- Leaves a Thick Layer of Grease

Blaster High-Performance White Lithium Grease,
11 oz. BLT 16-LG

- Long lasting lubrication
- Superior water and heat resistance
- Excellent metal-to-metal lubricant
- Product may attract dirt; not for use on wheel bearings or areas where appearance is important
- Will not wash out, melt or freeze

CRC White Lithium Grease, 10 wt. oz. CRC 5037

PERFORMANCE CHEMICALS BELT CONDITIONERS

- Eliminates squeaks, extends the life of drive belts by improving traction

CARQUEST Belt Dressing CCM 1085

- Prolongs belt life
- Eliminates squeaks
- Use every 3,000 miles

CRC Belt Conditioner, 7.5 wt. oz. CRC 5350

PERFORMANCE CHEMICALS FOGGING OIL

- Coats internal engine components to prevent corrosion
- Displaces moisture from metal to protect engine
- Lubricates cylinders to prevent cylinder damage (scuffing) at start up
- For all 2-cycle and 4-cycle gasoline engines
- Made in the U.S.A.

Sta-Bil Fogging Oil, 12 oz. GOL 22001

- For all 2 & 4 cycle engines
- Protects internal engine parts from corrosion

CRC Engine Stor Fogging Oil, 13 wt. oz. CRC 6068

* Disclaimer: Not all products listed in this catalog are stocked in all stores or DC locations. If not stocked, they are available via special order.

PERFORMANCE CHEMICALS

BRAKE CLEANER

- Professional strength
- Non-chlorinated formula
- Quick evaporation
- Dissolves and removes dirt, grease, oil and other contaminants
- DANGER: Harmful or fatal if swallowed. Vapor harmful. Extremely flammable. Contents under pressure. Keep out of reach of children.

Wearever Brake Parts Cleaner WES W7340

- OTC and LADCO compliant; less than 45% volatile organic compounds
- Professional strength
- Non-chlorinated formula
- Quick evaporation
- Dissolves and removes dirt, grease, oil and other contaminants

Wearever Low-VOC Brake Parts Cleaner WES W7341

- Professional strength

Wearever Chlorinated Brake Parts Cleaner WES W5089

- Low VOC

Wearever Brake Parts Cleaner WES W5090

- Non-flammable
- Cleans, degreases, and dries fast
- Removes brake fluid, grease & oil
- Stops disc brake squeal
- No disassembly required

CRC Brakleen Pro-Series Brake Parts Cleaner
Non-Flammable, 29 wt. oz. CRC 05089PS

- Strongest 50 state formula
- Cleans, degreases, and dries fast
- Removes brake fluid, grease & oil
- Stops disc brake squeal
- No disassembly required

CRC Brakleen Pro Series Brake Parts Cleaner -
50 State Compliant, 20 wt. oz. CRC 05050PS

- Degreases instantly
- Cleans fast, dries fast
- Leaves no residue
- Removes brake fluid, grease and oil

CRC Brakleen Brake Parts Cleaner, 19 wt. oz. CRC 5089

- Cleans fast
- Dries fast
- Leaves no residue
- Removes brake fluid, grease and oil

CRC Brakleen Brake Parts Cleaner
Non-Chlorinated, 14 wt. oz. CRC 5050

- Less than 45% VOC
- Non-chlorinated formula
- Cleans, degreases, and dries fast
- Removes brake fluid, grease & oil
- Stops disc brake squeal

CRC Brakleen Pro Series Brake Parts Cleaner
Non-Chlorinated Low VOC, 19 wt. oz. CRC 05084PS

- Non-chlorinated formula
- Cleans, degreases, and dries fast
- Removes brake fluid, grease & oil
- Stops disc brake squeal
- No disassembly required

CRC Brakleen Pro Series Brake Parts Cleaner
Non-Chlorinated, 18 wt. oz. CRC 05088PS

- Cleans fast, dries fast
- Leaves no residue
- Removes brake fluid, grease and oil

CRC Brakleen Brake Parts Cleaner
Non-Chlorinated, 14 wt. oz. CRC 5088

* Disclaimer: Not all products listed in this catalog are stocked in all stores or DC locations. If not stocked, they are available via special order.

- Clears fast, dries fast
- Leaves no residue
- Removes brake fluid, grease and oil

CRC Brakleen Brake Parts Cleaner
Non-Chlorinated, 14 wt. oz. CRC 5084

- For all disc, drum, cylinders, linings, shoes, etc.

CRC Non-Chlorinated Brake Parts Cleaner
CRC 5086

- Non-toxic
- Non-polluting
- Non-corrosive
- Non-flammable

**CRC SmartWasher OzzyJuice SW-7 Parts/
Brake Cleaning Solution, 5 gallon** CRC 14721

- High power sprayer blasts brakes clean
- Designed to remove oil, grease and brake fluid
- Cleans & dries fast
- Helps eliminate disk brake squeal and chatter
- 14 oz.

3M High Power Brake Cleaner, 14 oz. MMM 8880

- Cleans brake parts and assemblies without leaving residue
- Large, ergonomic actuator delivers high powered stream to remove tough deposits
- Cleaner removes brake dust, solvents, greases and oils
- Thorough cleaning action helps eliminate squeal and chatter
- Formula dries quickly and leaves no residue

3M High Power Brake Cleaner, 14 oz. MMM 8179

- High power sprayer blasts brakes clean
- VOC compliant: Meets EPA regulations
- Designed to remove oil, grease and brake fluid
- Cleans & dries fast
- Helps eliminate disk brake squeal and chatter

3M High Power Brake Cleaner, 14 oz. MMM 8180

- Fast-drying, non-chlorinated formula evaporates quickly & leaves no residue
- 50 state formula
- Helps stop brake squeal & chatter
- Use for all ABS, disc & drum brakes

Valvoline Brake Parts Cleaner, 50 State Compliant,
15 oz. VAL 681046

- Restores lost engine efficiency and helps maintain optimum engine efficiency
- Fast-drying, non-chlorinated formula evaporates quickly & leaves no residue
- Helps stop brake squeal & chatter
- Use for all ABS, disc & drum brakes

Valvoline Non-Chlorinated Low VOC Brake Parts Cleaner,
15 oz. VAL 602371

- Non Chlorinated, new formula cleans 2 times faster

Radiator Specialty Gunk Brake Parts Cleaner RAD M715

PERFORMANCE CHEMICALS

CARBURETOR CLEANERS

- Low VOC
- California Approved
- Cleans choke and linkage

CARQUEST Carb Cleaner, Aerosol CCM 1036

- Cleans throttle plates on fuel injected engines
- Reduces hesitation and rough idle

**Advance Auto Parts Carburetor, Choke and Valve
Cleaner, 12.5 oz.** CCM 1035

- Cleans and frees: Auto chokes, Carb Linkage, Heat Risers, PCV System, 50 State Formula

CRC Carburetor Cleaner CCM 1038

- Cleans automatic chokes, carburetors, choke linkages, and PCV valves & hoses

**Berkebile 2 plus 2 Instant Gum Cutter 2+2
Carb Cleaner** BBL B101

* Disclaimer: Not all products listed in this catalog are stocked in all stores or DC locations. If not stocked, they are available via special order.

- High Energy Solvent Technology
- Dissolves completely
- No residue

Berryman B-12 Chemtool Carburetor, Choke and Throttle Body Cleaner, 16 fl. oz. (Not VOC compliant in some states) BER 117

- Powerful solvents
- Removes dirt, varnish, gum and sludge
- Cleans the carburetor and combustion chamber of gasoline engines
- NOT FOR SALE IN CALIFORNIA

Gunk Carburetor Parts Cleaner Chlorinated RAD M48-14

- High Energy Solvent Technology
- Improves engine performance
- Increase fuel economy
- Restores power
- Reduces emissions

Berryman B-12 Chemtool Carburetor, Fuel System and Injector Cleaner, 15 fl. oz. BER 116

- Cleaner comes in 96 oz. can
- Included drip basket is perfect for those who prefer a hands-on approach when cleaning small engine parts. Drip basket is included inside the can.
- Solvent is great for cleaning metal parts in home, garage or shop
- Efficiently removes carbon, grease, oil, varnish, paint and grime deposits
- Product is environmentally friendly and responsible; it is non-corrosive, non-chlorinated, contains no ozone depleters, phenols or cresyls

Gunk Carburetor & Parts Cleaner with Drip Basket RAD CC3K

- Fast, efficient
- Slow evaporation
- Professional use only

CRC Tyme 1 Carburetor & Cold Parts Cleaner, 5 Gallon CRC 14104

- Helps free stuck heat risers and throttle linkages.
- Instantly dissolves deposits to restore maximum power
- SAFE FOR OXYGEN SENSORS AND CATALYTIC CONVERTERS
- Contains no chlorinated solvents
- 50 State Compliant

Valvoline Pyroil Carb & Throttle Body Cleaner, 13 oz. VAL PYC16

- Helps treat hard starting, rough idling, stalling and high exhaust emissions
- Cleans gum, varnish and dirt off the outside of the carburetor
- Cleans the inside of the carburetor throat

Gumout Jet Spray Carb + Choke Cleaner, 16 oz. GUM 800002230

- Helps free stuck heat risers and throttle linkages.
- Instantly dissolves deposits to restore maximum power
- SAFE FOR OXYGEN SENSORS AND CATALYTIC CONVERTERS
- Contains no chlorinated solvents
- 50 State Compliant

Valvoline Pyroil Carb & Throttle Body Cleaner, Low VOC, 13 oz. VAL PYCVOC16

- Cleans and lubricates throttle body and carburetor assemblies
- Removes residue to increase engine performance
- Nozzle allows dispensing cleaner while can held upside down
- Ergonomic trigger allows maximum control

Scotch-Brite 3M Throttle Plate and Carb Cleaner, 8.5 oz. MMM 8866

- Effectively cleans throttle plates on fuel injected engines
- Eliminates hesitation and rough idle
- Contains no chlorinated solvents
- Meets current low VOC regulations

Valvoline Carb & Throttle Body Cleaner, 50 State Compliant, 13 oz. VAL 681045

- Powerful blend of low VOC solvents
- Removes dirt, varnish, gum and sludge
- Cleans the carburetor and combustion chamber of gasoline engines
- 50-State compliant

Gunk Carburetor Parts Cleaner Non-Chlorinated RAD M4815NC

- Helps restores lost horsepower, eliminate hard starts and smooths rough idle
- Effectively cleans throttle plates on fuel injected engines
- Eliminates hesitation and rough idle
- Contains no chlorinated solvents

Valvoline Carb & Throttle Body Cleaner, 13 oz. VAL 602333

* Disclaimer: Not all products listed in this catalog are stocked in all stores or DC locations. If not stocked, they are available via special order.

PERFORMANCE CHEMICALS ELECTRIC PARTS CLEANER & DRYERS

- Fast cleaner & degreaser for elect systems & equipment
- CARQUEST Electric Motor & Parts Cleaner CCM 1025**

- Quick Drying
 - No residue
 - Safe for plastics
- CARQUEST Electrical Contact Cleaner CCM 1041**

- For energized equipment
 - Degreases fast
 - Removes oil and dirt
 - Non-staining
 - Leaves no residue
- CRC Lectra-Motive Electric Parts Cleaner, 19 wt. oz. CRC 5018**

- Cleans and protects sensitive electronic equipment
 - Helps prevent contact failure
 - Plastic safe
 - Leaves no residue
- CRC QD Electronic Cleaner, 11 wt. oz. CRC 5103**

- Dries wet ignition systems.
 - Prevents reoccurrence of wetting.
 - Leaves distributor, wires and coil weatherproofed.
- Solder Seal/Gunk Wire Dryer RAD M13-06**

PERFORMANCE CHEMICALS MISC. PARTS CLEANER

- Safe on all metals
- Radiator Specialty Hydro Seal II Heavy Duty Parts Cleaner Basket RAD HS3K**

- Ultra-fast dry time
- No residue
- High-pressure trigger
- Heavy duty cleaning agent
- No chlorinated solvents

Solder Seal/Gunk Instant Parts Cleaner & Degreaser, 14 oz. RAD PCD14T

- Plastic safe
- Safe on sensitive equipment
- Increases horsepower
- Reduces rough idle
- Decreases hesitation and ping

CRC Mass Air Flow Sensor Cleaner, 11 wt. oz. CRC 5110

PERFORMANCE CHEMICALS ENGINE CLEANER

- Low VOC, California Approved
 - Removes grease, easy to use
- CARQUEST Heavy Duty Engine Degreaser CCM 1030CA**

- Deep cleaning, fast acting and self-emulsifying
 - Rinses clean with water
- Advance Auto Parts Heavy Duty Engine Degreaser CCM 1030**

* Disclaimer: Not all products listed in this catalog are stocked in all stores or DC locations. If not stocked, they are available via special order.

- No flash or fire point
- Evaporates rapidly
- Removes grease and oil

CRC T-Force Degreaser MUO, Manufacturing Use Only, 18 oz. CRC 3915

- Protects and leaves a detailed shine
- Makes future clean up easier
- Leaves a satin-like finish
- Pleasant citrus scent

Gunk Engine Brite Engine Protector Shine RAD CEB1

- Cleans air and waterborne soils as well as grease
- Foam clings to vertical surfaces
- Rinses easily with water
- Removes grease and grime from auto, marine and tractor engines

Solder Seal/Gunk Foamy Engine Cleaner, Low VOC
RAD FEB1CA

- Removes tough road grime, oil & grease
- Safe on all metal & plastic surfaces under the hood
- Zero VOC

Gunk HD Engine Degreaser RAD EBT32

PERFORMANCE CHEMICALS

STARTING FLUIDS

- Safely removes dirt, dust and road grime and can be used on all vehicles
- Foam clings to vertical surfaces and picks up dirt
- Quick, effective foaming action
- Rinses easily with water

Gunk Engine Brite Engine Cleaner Foamy RAD FEB1

- Our #1 selling formula
- Specially formulated for older, hardworking, leaky and greasy engines
- Deep cleaning, fast acting and self-emulsifying
- Rinses clean with water

Solder Seal/Gunk Original Engine Cleaner, Low VOC
RAD EB1CA

- Premium starting fluid helps start gasoline and diesel engines at most temperatures
- Recommended for all small internal combustion engines

CARQUEST Premium Starting Fluid PVF 91016

- Our #1 selling formula
- Specially formulated for older, greasy engines
- Deep cleaning and fast acting
- Rinses clean with water

Gunk Engine Brite Engine Degreaser Original RAD EB1

- Helps start gasoline and diesel engines

CARQUEST Starting Fluid PVF 91015

- Our most aggressive engine degreaser
- Specially formulated to remove baked on grease and oil from hotter-running engines
- Clings where it's sprayed
- Deep penetrating action

Gunk Engine Brite Engine Degreaser Heavy Duty Gel
RAD EBGEL

- Starts engines quickly & reduces drain on batteries
- Contains an upper cylinder lubricant
- Fits diesel injector systems
- Gives smooth starts in all kinds of weather

Valvoline Pyroil Starting Fluid, 7.5 oz. VAL PYSFR7.5

Valvoline Pyroil Starting Fluid, 11 oz. VAL PYSFR11

Image Shown: PYSFR7.5

* Disclaimer: Not all products listed in this catalog are stocked in all stores or DC locations. If not stocked, they are available via special order.

- Extra Strength Starting Fluid for the fastest starts
- Starts engines quickly and reduces drain on batteries
- Compatible with gasoline or diesel engines
- Contains upper cylinder lubricant

Valvoline Extra Strength Starting Fluid, 11 oz.
VAL 602373

- Reduce Carbon Deposits
- Improve Gas Mileage
- Restore Power
- Extend Engine Life

Z-Max Micro-Lubricant Engine Formula
OCR 51-212

PERFORMANCE CHEMICALS

ENGINE ADDITIVES

- Reduces friction & wear, especially at start-up, helping to eliminate dry starts
- Prevents camshaft wear
- Increases engine life
- High performance formula stabilizes the motor oil to insure against viscosity and thermal breakdown

Rislone NanoPrime Engine + Oil Additive, 16.9 oz. BAR 4104

- Reduces Friction & Wear
- Quiets Noisy Lifters & Valves
- Removes and Prevents Sludge

Rislone Engine Oil Treatment, 32 oz. SHA 100QR

- Silence engine & transmission noise

Duralube Instant Quiet IGB HL-41705-12

- Can be used in gas, diesel & hybrid engines
- For maximum results, use every oil change

Duralube Advanced Engine Treatment, 32 oz. IGB HL-DLOS-06NR

- Works with all motor oils, gas and diesel fuel
- Reduces friction and increases horsepower
- Dissipates engine heat and helps improve or restore gas mileage and reduce emissions in older cars and helps maintain gas mileage and emissions in newer cars
- Extends engine life by reducing engine deposits
- Made in USA

Z-Max Engine and Fuel Micro-Lubricant
OCR 51-011

- Reduces friction & wear, especially at start-up, helping to eliminate dry starts
- Prevents Camshaft Wear
- Increases Engine Life
- High performance formula stabilizes the motor oil to insure against viscosity and thermal breakdown.

Rislone 3X Concentrated Oil Supplement with Zinc Treatment, 11 oz. SHA 4405

- Slick 50, inventors of the engine treatment introduce Slick 50 Recharged High Mileage Engine Treatment.
- Slick 50's Recharged technology was developed for vehicles that suffer from lost performance due to friction and wear, oil consumption and leaks, smoking and sludge build up.
- It is formulated to restore the performance of your high mileage vehicle and keep it running like new.
- Slick 50's propriety formulation is built from a base of fully formulated 10W-30 motor oil that meets ILSAC GF5 motor oil specifications and enhanced with additives specifically for high mileage engines.
- Unlike some oil additives Slick 50 will not dilute the additives already in your motor oil.

Slick 50 High Mileage Engine Treatment, 15 oz. SLK 750002

- Slick 50 Supercharged Synthetic Engine Treatment pour and drive formula enhances oil durability, cleans and prevents sludge, and fights ethanol water damage.
- Fully formulated synthetic 5W-30 motor oil meets ILSAC (International Lubricants Standardization and Approval Committee) GF-5 motor oil requirements to help reduce emissions and maximize fuel economy.
- Friction modifier creates enhanced protective layer of lubrication to minimize heat produced by friction. ZDDP (zinc dialkyldithiophosphate) anti-wear agent forms a continuous, self-regenerating shield between engine parts to prevent metal to metal wear and enhance oil durability.
- Hydro-ethanol inhibitor helps fight ethanol, rust and water build up in the crankcase caused by cylinder wash and blow-by.

Slick 50 Supercharged Synthetic Engine Treatment, 15 oz. SLK 750001

- Helps rejuvenate seals and gaskets
- Helps reduce water and heat
- Helps reduce deposit and varnish for improved cleanliness
- Helps reduce engine noise and smoke
- Safe for use in synthetic or conventional motor oil.

Valvoline Chemicals Premium Engine Treatment with Stop Leak, 15 oz. VAL VVETSL15

- Quiets noisy filters
- Super concentrated formula eliminates valve noises by dissolving gum, sludge, and dirt deposits from valve lifters

Motor Medic Valve Medic VAL M37-12

* Disclaimer: Not all products listed in this catalog are stocked in all stores or DC locations. If not stocked, they are available via special order.

- Contains high-shear polymers which provide a seal for worn pistons & rings to stop blow-by.
- Cushions and coats engine parts helping to reduce wear and quiet noisy lifters.
- Retains oil flow characteristics in hot and cold weather.
- Works with all gasoline and diesel engines using conventional, high mileage and synthetic oil.
- Stops Exhaust Smoke

Rislone Ring Seal Smoke Repair, 16 oz. SHA 4416

PERFORMANCE CHEMICALS

OIL TREATMENT

- Defends against engine wear
- Helps reduce oil consumption
- Protects engine parts

Advance Auto Parts Oil Treatment, 15 oz. CCM 6607

- Valve and lifter cleaner
- Dissolves sludge
- Quiets noisy operation

CRC Valve Kleen Oil Treatment CRC 5331

- High Mileage Engine Oil Treatment

Motor Honey Engine Oil Treatment High Mileage Engine Oil Treatment CAE C165-12

- Premium Synthetic and Conventional Oil Stabilizer

Motor Honey Premium Oil Stabilizer Premium Synthetic and Conventional Oil Stabilizer CAE C166

- Multi-System Tune-Up from Gumout is the only multi-system additive that can treat the complete fuel system in any engine type.
- Designed for today's engines, it is formulated with a special blend of premium cleaning agents, anti-oxidants and corrosion inhibitors that can be used in the fuel tank, crank case or directly in the fuel rail.
- The key ingredients in this treatment are proven in ASTM test to improve performance when used in gasoline, diesel, biodiesel, E85 and motor oil.

Gumout Multi-System Tune-Up GUM 510011

- Hy-Per Lube Zinc Replacement Additive will provide maximum wear protection for cams and lifters in flat tappet cam design engines.
- Reduces Cold Start Wear After Long Periods of Shut Down
- Maintains a Strong Oil Film at High Temperatures
- Compatible With All Motor Oils - Including Synthetic

Hyperlube Hy-Per Lube Zinc Replacement Additive, 12 oz. HPL HPZ212

- Increases Film Strength
- Improves Viscosity and Prevents Thermal Breakdown
- Quiets Engine Noise
- Reduces Temperature

Hyperlube Hy-Per Lube Oil Supplement, 32 oz. HPL HPL201

- Cleans and lubricates the entire fuel system from the tank to injectors
- Removes harmful deposits on intake valves and cylinder heads
- Lubricates the upper cylinder walls as well as the compression rings and oil rings
- Contains special Lucas additives that cause the fuel to burn thoroughly for fewer exhaust emissions and more MPG
- COUNTERACTS THE CORROSIVE EFFECT OF ETHANOL IN FUEL

Lucas Oil Products Complete Engine Treatment, 16 oz. LCS 10016

- Excellent at fighting off sludge
- Lubricates all internal parts to minimize wear in any engine
- Eliminates the noise, emissions and oil consumption associated with worn engine
- Raises oil pressure

Lucas Oil Products High Mileage Oil Stabilizer, 1 Quart LCS 10118

- Increase oil life at least 50% longer
- Reduces oil consumption
- Eliminates dry starts
- Raises oil pressure
- Increases power and miles per gallon

Lucas Oil Products Heavy Duty Oil Stabilizer, 1 Quart LCS 10001

Lucas Oil Products Heavy Duty Oil Stabilizer, 1 Gallon LCS 10002

- Increase oil life by at least 50%
- Reduces oil consumption
- Eliminates dry starts
- Raises oil pressure
- Increases power and MPG

Lucas Oil Products Pure Synthetic Oil Stabilizer, 1 Quart LCS 10130

Image Shown: 10001

- Protects camshaft lifters and valve train during break-in period of motor
- Excellent for flat tappet camshafts during break-in or as an additive to any motor oil to prevent premature wear
- Exclusive blend of extreme pressure additives
- Add one bottle with every oil change to increase the zinc content of your motor oil
- Designed for race applications requiring additional extreme pressure additives

Lucas Oil Products Engine Break-In Oil Additive - TB Zinc Plus, 16 oz. LCS 10063

- Contains added friction protection to help reduce heat and wear
- Safe for use in synthetic or conventional motor oil
- Helps reduce heat and friction to extend engine life
- Helps eliminate dry starts
- Helps prevent oil from shearing out of grade

Valvoline Chemicals Advanced Heavy Duty Oil Stabilizer, 15 oz. VAL WOS15

PERFORMANCE CHEMICALS

SMOKE TREATMENT

- Provides top end lubrication essential for restoring power and fuel economy
- Advanced engine technology stabilizes fuel for months and helps promote easy start-ups
- Prevents rust and corrosion from Ethanol containing fuels
- Reduces cold weather starts and creates smoother starts
- Can be used in all engines including direct injection (GDI & hybrids)

Marvel Mystery Oil Enhancer & Fuel Treatment, 16 oz. MRV MM12R

Marvel Mystery Oil Enhancer & Fuel Treatment, 32 oz. MRV MM13R

Marvel Mystery Oil Enhancer & Fuel Treatment, 1 Gallon MRV MM14R

Image Shown:
MM12R

- Stops oil burning and reduces exhaust smoke
- Helps lessen engine noise and restore compression
- Improves power and performance

Bardahl No-Smoke Oil Treatment, 16 oz. BRD 2116

- Sea Foam Motor Treatment Cleans fuel injectors and carburetor passageways
- Lubricates throttle plates, bushings and upper cylinders
- Stabilizes gas & diesel fuels up to 2 years
- Works in crankcase oil to liquefy harmful residues & deposits
- Sea Foam Spray safely removes intake valve and chamber deposits

Sea Foam Pour & Spray Combo Pack SEA SF-SS

- Stops oil burning and reduces exhaust smoke
- Contains seal-swelling agents and seal conditioners to restore pliability to seals that are starting to dry, shrink or become brittle
- Helps improve power and performance
- Helps lessen engine noise and restore compression

Bardahl No-Smoke Plus Stop Leak Oil Treatment, 16 oz. BRD 2117-W

Image Shown: SF16

- Cleans fuel injector and carburetor passageways
- Cleans intake valve and chamber deposits
- Lubricates upper cylinders
- Works in crankcase oil to liquefy harmful residues & deposits
- Stabilizes gas & diesel fuel up to 2 years

Sea Foam Motor Treatment, 16 fl. oz. SEA SF16

Sea Foam Motor Treatment, 128 fl. oz. SEA SF-128

PERFORMANCE CHEMICALS

COMPRESSION BUILDERS

- Rejuvenates seals and gaskets
- Helps stop engine leaks, noise and smoking
- Contains zinc anti-wear agent ZDDP

STP High Mileage Oil Treatment + Stop Leak, 15 fl. oz. STP 78595

- Increases Oil Pressure
- Reduces Friction
- Helps Clean Internal Parts
- Quiets Knocking
- Stops Ticking

Bars Leak Engine Repair, 16 oz. BAR 1000

- Contains zinc anti-wear agent ZDDP
- Lubricates moving engine parts
- Reduces oil burning

STP Oil Treatment, 15 fl. oz. STP 65148

- Permanent seal for oil leaks in rear main gaskets and seals
- Repairs and reconditions damaged rubber seals to like new conditions
- All leaks are sealed while the vehicle is being driven
- Easy to use Pour-N-Go

BlueDevil Rear Main Sealer BDS 234

* Disclaimer: Not all products listed in this catalog are stocked in all stores or DC locations. If not stocked, they are available via special order.

- Restores cylinder compression, horsepower, and engine life.
- Reduces oil burning and oil consumption.
- Compatible with all mineral and synthetic motor oils.
- Not formulated for use in 2 cycle engines.

Restore Engine Restorer and Lubricant with CSL 4-Cylinder Formula, 9 oz. RSR 9

- Restores cylinder compression, horsepower, and engine life.
- Reduces oil burning and oil consumption.
- Compatible with all mineral and synthetic motor oils.
- Not formulated for use in 2 cycle engines.

Restore Engine Restorer and Lubricant with CSL 6-Cylinder Formula, 12.5 oz. RSR 12

- Restores cylinder compression, horsepower, and engine life.
- Reduces oil burning and oil consumption.
- Compatible with all mineral and synthetic motor oils.
- Not formulated for use in 2 cycle engines.

Restore Engine Restorer and Lubricant with CSL 8-Cylinder Formula, 16 oz. RSR 16

- Frees sticky rings and fills gaps & scratches in cylinder walls.
- Eliminated blow-by and compression loss while also reducing friction and wear.
- Works with conventional, high mileage and synthetic engine oil.
- Does not contain any harmful lead or other metals that could damage the inside of your engine.

Rislone 4, 6, and 8 Compression Repair, 16.9 oz. SHA 4447

- Guaranteed to repair valve stem seal leaks
- One dosage stops smoking & oil burning guaranteed
- Reinforced with synthetic polymers
- Reduces oil consumption

Bars Leak Valve Seal Oil Consumption Repair, 16.9 oz. BAR VS-1

- Engine oil burning & leak repair

Bars Leak Oil Seal Repair, 16.9 oz. BAR OS-1

- Guaranteed to permanently seal seeping or dripping oil leaks
- Repairs and reconditions rubber seals throughout any fluid oil system
- All leaks are sealed while the vehicle is being driven

BlueDevil Oil Stop Leak BDS 49499

- Engine Oil Leak Stopper and Seal Conditioner

Motor Honey Engine Oil Leak Stopper & Seal Conditioner CAE C168-12

PERFORMANCE CHEMICALS STOP LEAKS

- Stops Leaks
- Prevents Leaks
- Conditions Seals

Bars Leak Engine Oil Stop Leak, 11 oz. BAR 1010

- Compatible with petroleum, semi-synthetic and full synthetic motor oils
- Renews worn seals with no risk of damage or eventual corrosion
- Reduces engine noise and oil consumption, while raising oil pressure
- Contains no harmful solvents

Lucas Oil Products Engine Oil Stop Leak, 1 Quart LCS 10278

- Seals Timing Covers
- Seals Cam Seals
- Seals Rear Main Seals
- 2X Concentrate

Bars Leak Concentrated Rear Main Seal Repair, 16.9 oz. BAR 1040

- Seals common engine leaks within 300 miles of driving.
- Compatible with all grades of motor oil.

CD2 Chemicals Engine Oil Stop Leak HD, 15 oz. TWX 4105R

* Disclaimer: Not all products listed in this catalog are stocked in all stores or DC locations. If not stocked, they are available via special order.

PERFORMANCE CHEMICALS

ENGINE FLUSH

- Helps remove varnish and sludge that draining leaves behind
- Safe for seals and recycled oil disposal
- Solvent-free formula
- Non-corrosive formula
- Proven effective in the industry standard test for cleanliness sequence IIIG.

Valvoline Chemicals Premium Engine Flush,
15 oz. VAL WEF15

- Removes accumulated gums, varnishes, and sludge from internal engine parts
- Releases sticky valves and piston rings, allowing oil to circulate freely to all parts of the motor

Motor Medic Motor Flush VAL MF3

PERFORMANCE CHEMICALS

POWER STEERING FLUID

- For OEM applications
- Protects against rust and corrosion
- Reduces pump squeal and wear
- Meets performance requirements of: General Motors-GM9985010 (GM part #1050017); Ford-ESW-M2C128-CandD; Chrysler-MS-5932

CARQUEST Power Steering Fluid, 1 Quart CBF 590

- Protects against rust and corrosion
- Reduces pump squeal and wear
- Meets performance requirements of: General Motors-GM9985010 (GM part #1050017); Ford-ESW-M2C128-CandD; Chrysler-MS-5932.

CARQUEST Power Steering Fluid, 12 oz. CBF 260

- Formulated for Honda vehicles

CARQUEST Honda Power Steering Fluid, 12 oz. CCM 141

- Extreme hot and cold temperature protection
- Prevents corrosion, wear and oxidation in system

ATP Fully Synthetic Power Steering Fluid ATP AT-224

- Improves steering response and feel
- Extends life of pumps, rack and pinion gears, seals, cylinders and valves
- Compatible with all power steering systems and fluids, petroleum or synthetic
- Stops fading and foaming in high performance situations

Lucas Oil Products Power Steering Fluid w/Conditioners,
16 oz. LCS 10442

- Formulated for use in GM, Ford and Chrysler vehicles and in most foreign cars and light trucks
- Formulated to help protect modern power steering systems against pump breakdown caused by wear, oxidation and foaming
- Helps stop squeals
- Pours at sub-zero temperatures to help assure consistent cold-weather steering performance

Prestone Power Steering Fluid PRS AS261Y

- Formulated for use in GM, Ford, and Chrysler vehicles and most foreign cars and light trucks

Prestone Power Steering Fluid + Stop Leak PRS AS263Y

- Formulated for use in GM, Ford, and Chrysler vehicles and most foreign cars and light trucks

Prestone Power Steering Fluid Plus Stop Leak PRS AS262

- #1 Selling Power Steering Fluid Brand
- Engineered for ALL American vehicles
- This full-synthetic fluid provides longer lasting fluid life and is fortified with a premium advanced additive package that helps prevent corrosion
- This premium formula reduces component wear that can affect power steering system life
- This formula is also designed for extreme temperatures and provides excellent low temperature operation

Prestone Full-Synthetic Power Steering Fluid for American Vehicles,
12 oz. PRS AS264Y

- Formulated for use in GM, Ford and Chrysler vehicles and in most foreign cars and light trucks
- Formulated to help protect modern power steering systems against pump breakdown caused by wear, oxidation and foaming
- Helps stop squeals
- Pours at sub-zero temperatures to help assure consistent cold-weather steering performance

Prestone Power Steering Fluid PRS AS260

* Disclaimer: Not all products listed in this catalog are stocked in all stores or DC locations. If not stocked, they are available via special order.

Prestone Asian Power Steering Fluid PRS AS269Y-6

- Restores Steering Performance
- Quiets Noise
- Stops Leaks
- Conditions Seals and O-Rings

Bars Leak Power Steering Repair, 16 oz. BAR 1600**Prestone European Power Steering Fluid** PRS AS268Y-6

- Repairs leaks in Power Steering , as well as rack and pinion systems
- Compatible with domestic, import, and commercial grade power steering fluid
- Repairs and reconditions damaged rubber seals to like new conditions
- All leaks are sealed while the vehicle is being driven

BlueDevil Power Steering Stop Leak BDS 232

- For use in Honda or Acura vehicles

Valvoline Pyroil Honda Power Steering Fluid VAL HPS-12

- Guaranteed to stop seal leaks
- Stops rack and pinion problems
- Very cost effective

Lucas Oil Products Power Steering Stop Leak, 12 oz. LCS 10008**Lucas Oil Products Power Steering Stop Leak, 1 Quart** LCS 10011

Image Shown: 10008

- Keeps seals and o-rings pliable
- Prevents leakage & squealing under severe conditions
- Protects against pump breakdown
- Not for use in Honda or Acura vehicles

Valvoline Power Steering Fluid, 32 oz. VAL 602241**Valvoline Power Steering Fluid, 1 Gallon** VAL 799222**Solder Seal/Gunk Steer Seal, Power Steering Sealer & Conditioner** RAD M17-12

Image Shown: 602241

- Stops leaks by reconditioning seals that harden and shrink with age.
- Protects against pump breakdown caused by wear, foam and oxidation.
- Formulated for use in GM, Ford, Chrysler, Toyota, and other import vehicles except Honda/Acura.

Valvoline MaxLife Power Steering Fluid with Stop Leak, 32 oz. VAL WV335

- Compatible with conventional and synthetic fluids
- Prevents leaks by conditioning seals against drying and shrinking without seal swellers
- Quiets noisy power steering pumps and eliminates steering noises, whines, squeals, groans, shudder, etc.
- Ideal for systems with stiffness especially on cold mornings also known as morning sickness
- Improves responsiveness

Lube Gard Power Steering Fluid Protectant with LXE, Size 4 oz. LUE 20404

PERFORMANCE CHEMICALS

POWER STEERING STOP LEAK

- Stops Leaks
- Prevents Leaks
- Restores O-Rings & Seals

Bars Leak Power Steering Stop Leak, 11 oz. BAR 1630

- Repairs Blown Head & Intake Gasket Leaks
- Seals Cracked Cylinder Heads & Block
- Stops Heater Core & Radiator Leaks
- Fixes Freeze & Core Plug Leaks

Bars Leak Head Gasket & Cooling Sealant, 33.8 oz. BAR HG-1

PERFORMANCE CHEMICALS

HEAD GASKET, BLOCK SEAL & COOLANTLOCK STOP LEAK

* Disclaimer: Not all products listed in this catalog are stocked in all stores or DC locations. If not stocked, they are available via special order.

- Stops Block Leaks
- Seals Cracked Cylinder Heads
- Repairs Blown Head Gaskets

Bars Leak Head Gasket Repair, 20 oz. BAR 1100

- Stops Intake and Head Gasket leaks
- Works in 5 minutes
- Use w/ glycol coolant

ALL WEATHER SEAL All Weather Seal IRT 913016

- Stops Block Leaks
- Seals Cracked Cylinder Heads & Block
- Repairs Blown Head Gaskets

Bars Leak Head Gasket Fix, 24 oz. BAR 1111

- Nanotechnology reinforced with military-strength fibers for a superior permanent repair

K & W Chemical FiberLock Head Gasket & Block Repair, 32 Fl oz. KW 401224

- Seals larger leaks
- Repairs Heater Core Leaks
- Repairs Freeze Plugs
- Repairs Block Leaks

Bars Leak Liquid Copper Block Seal Intake & Radiator Stop Leak, 18 oz. BAR 1109

- Stops leaks
- Repairs gaskets
- Seals cracks
- Extends the life of your vehicle

K & W Chemical Permanent Metallic Block Seal Head Gasket Repair, 16 wt. oz. KW 401016

- Easy to use Pour-N-Go formula
- No flush or thermostat removal required
- Perfect for customers seeking a single repair on a 4-6 cylinder engine

BlueDevil Head Gasket Sealant - Pour N Go BDS 209

- A permanent repair
- Nanotechnology provides the tightest molecular bond
- Works on aluminum, cast iron, brass and plastics
- Repairs head gaskets, cracked engine blocks, intake gaskets, cylinder heads, freeze plugs and heater cores
- Treats 4, 6, or 8 cylinder engines with up to a 24 quart cooling systems capacity

K & W Chemical Permanent Head Gasket & Block Repair With Nanotechnology, 32 fl. oz. KW 401232

BlueDevil Radiator and Block Sealer BDS 205

- Simple to Use - JUST SHAKE POUR & GO
- A permanent repair, guaranteed for the lifetime of the engine
- Scientifically tested
- Only product that can be added to the overflow tank
- Only product that positively will not clog the coolant system

K-Seal Coolant Leak Repair, Head Gasket Sealant, Block Sealer, Radiator, Heater Core Stop Leak SVT ST3501

- Permanent repair, Guaranteed!
- Contains no solid or particulate matter that can harm a engine
- Alternative solution for costly and time consuming repair
- Safe and easy to use

BlueDevil Head Gasket Sealant BDS 38386

- Seals withstands 2000 degrees F.
- Seals withstands 3000 PSI.
- Permanent Seal.
- Treats up to 12 gallons.

Seal-Up Liquid Glass Metallic Liquid Seal-Up, 22.8 oz. CCM 1116

- Anyone can use this product - No Flushing or Draining - You can even pour into the overflow tank.
- Mixes w/ all types of antifreeze
- Just shake, pour & go - Works in just minutes
- Works on Head Gaskets, Radiator, Heater Cores, Freeze Plugs, Water Pump Casings, Cylinder Heads & Cracked Blocks.
- Safest, easiest, cost-effective, trade trusted & proven product.

K-Seal Coolant Leak Repair, Head Gasket Sealant, Block Sealer, Radiator, Heater Core Stop Leak SVT ST5501

* Disclaimer: Not all products listed in this catalog are stocked in all stores or DC locations. If not stocked, they are available via special order.

Image Shown: 1194

- Stops & seals coolant leaks
- Seals leaks in radiators, gaskets, heater cores & freeze plugs
- Works with ALL types and colors of antifreeze coolant and/or water

Bars Leak Radiator Stop Leak, 6 oz. BAR 1194**Bars Leak Radiator Stop Leak, 11 oz. BAR 1196**

- Stops leaks radiator leaks safely, quickly and easily
- Compatible with ALL antifreeze and coolants
- Safe for all metal, plastic, and rubber cooling system parts
- Guaranteed to work
- Made in the U.S.A.

Alumaseal Radiator Stop Leak and Conditioner Liquid, 16 fl. oz. GOL ASLC16

- Stops & prevents leaks with: carbon fiber sealer, leak sealing liquid, & stop leak treatment
- Added protection with: water pump lube, corrosion inhibitors, & heat transfer agent
- Contains Xtreme Cool
- Works on 4, 6, 8, & 10 cylinder engines

Bars Leak Cooling System Repair, 16.9 oz. BAR 1150

- Stops leaks radiator leaks safely, quickly and easily
- Prevents and repairs cooling system damage
- Compatible with ALL antifreeze and coolants
- Safe for all metal, plastic, and rubber cooling system parts
- Will not clog cooling systems

Alumaseal Radiator Stop Leak Powder Blister Card, 20 g. GOL ASBP12

- Protects Engine Cooling Systems
- Stops Current and Future Leaks
- Inhibits Rust & Corrosion
- Lubricates Water Pump Seal
- Helps Control Electrolysis

Bars Leak Stop Leak Heavy-Duty Radiator Sealer, 11 fl. oz. BAR PLT11

- Seals without clogging the system

Sta-Bil Alumaseal Powdered Radiator Sealer/Stop Leak GOL ASBP

PERFORMANCE CHEMICALS COOLING SYSTEM CONDITIONERS

- Lubricates water pump seal and inhibits rust & corrosion
- Seals leaks and seepage
- Helps control electrolysis
- Professional strength formula

Bars Leak Radiator Stop Leak Tablets, 3 oz. BAR HDC

- Seals Leaks
- Conditions Cooling System
- Inhibits Rust and Corrosion
- Prevents Corrosion
- Lubricates Water Pump Seal

Bars Leak Cooling System Treatment, 100 Tablets BAR J100

- Safely Seals Leaks
- Stops Overheating
- Reduces Water Temperature

Bars Leak Liquid Aluminum Radiator Stop Leak, 16.9 oz. BAR 1186

- Reduces Engine Cylinder Heat Temperatures
- Allows Safe Advancement of Ignition Timing Resulting in More Horsepower
- Quicker Engine Warm-Up During Cold Winter Conditions
- Prevents Overheating in High Performance and High Load Engines

Hyperlube Hy-per Lube Super Coolant, 16 oz. HPL HPC100

- Protects all metals from electrolysis
- Provides unsurpassed cooling system corrosion protection
- Enhances heat transfer and reduces operating temperatures
- Reduces water pump, impeller and intake manifold pitting
- Prevents deposits and contamination which lead to overheating

Lube Gard Kool-It Supreme Coolant Treatment, 16 oz. LUE 96001

- 2-in-1 corrosion inhibitor and wetting agent enhanced protection of aluminum
- Reduces surface tension of coolant allowing heat to transfer outside the radiator for more horsepower
- Reduces hot spots in the engine and cylinder heads to help prevent failure of critical engine components
- Maintains a cleaner system, prevents overheating and extends the life of the water pump
- Safe to use in water or anti-freeze/water blends

Royal Purple Ice Super Coolant RPO 1600

* Disclaimer: Not all products listed in this catalog are stocked in all stores or DC locations. If not stocked, they are available via special order.

- Prevents evaporation, keeps entire cooling system clean

Solder Seal/Gunk Water Pump Lube & Rust Inhibiter RAD C10-12

PERFORMANCE CHEMICALS RADIATOR FLUSH

- Kit includes deflector, 2 hose clamps and 3 flushing tees (1/2", 5/8" and 3/4")
- Fits most cars and light trucks
- Works with all ethylene glycol coolants
- Helps prevent winter freezing and summer overheating
- Back flushes cooling system

Peak Radiator Flush & Fill Kit
OWI PKFOAA

- Extends Vehicle Life
- Advanced Cleaning Power
- Concentrated Formula

BlueDevil Radiator Flush BDS 204

- Removes rust deposits and oily residue in a one-step process

Prestone Radiator Flush & Cleaner PRS AS105Y

PERFORMANCE CHEMICALS TRANSMISSION TREATMENTS

ATP ATF Protectant ATP AT-217

ATP Instant Shudder Eliminator ATP AT-222

ATP Automatic Transmission Fluid Synthetic Friction Modifier ATP AT-203

- Reduces heat & wear
- Eliminates TQ converter shudder & clutch pack chatter
- For all automatic transmissions & 4x4 transfer cases

ATP Transmission Protectant ATP AT-202

- Professional strength fast-acting re-sealer

ATP Automatic Transmission Re-Seal ATP AT-205

ATP Limited Slip Differential Supplement ATP AT-210

ATP Assembly Lubricant ATP AT-201

ATP Transmission Cooler Flush Kit ATP AT-200

* Disclaimer: Not all products listed in this catalog are stocked in all stores or DC locations. If not stocked, they are available via special order.

- Restores transmission performance
- Quiets noise
- Stops leaks
- Stops shudder, chatter and whining

Bars Leak Transmission Repair, 16 oz. BAR 1400

- Contains no solvents
- Lowers operating temperatures and stops foaming
- Can be added to existing fluid without draining any out
- Effective in an extremely high percentage of cases

Lucas Oil Products Transmission Fix, 24 oz. LCS 10009

- Fights rust and oxidation and inhibits foaming
- Frees stuck valves
- Helps clean moving parts
- Helps prevent costly transmission repairs

Casite Tranny Honey Transmission Treatment with Stop Leak CAE C181-12

- INSTANTLY eliminates torque converter lock up shudder in automatic transmissions
- Provides 4X less wear than regular ATF
- Commonly used as a diagnostic tool to determine if a problem is fluid related or a more mechanical fix is required
- Safe for use in ALL automatic transmissions except Ford Type F, CVT and DCT
- Compatible with conventional and synthetic ATFs

Lube Gard Instant Shudder Fixx, 2 oz. LUE 19689

- Repairs Leaks
- Prevents Slips
- Restores ATF Viscosity Smooth Shifting

K & W Chemical Trans-X High Mileage Automatic Transmission Treatment, 16 oz. KW 402916

- Eliminates differential chatter, groans, squeals and popping
- Reduces differential oil temperatures
- Extends clutch pack and equipment life
- Contains rust and corrosion inhibitors
- Works for cone or plate type LS differentials

Lube Gard Limited Slip Supplement with LXE, Size 4 oz. LUE 42851

Image Shown: 402015X6

- For use in power steering & transmissions fluids

K & W Chemical Trans-X Automatic Transmission Slip-Stop & Leak Fix, 15 oz. KW 402015X6

K & W Chemical Trans-X Automatic Transmission Slip-Stop & Leak Fix, 32 oz. KW 402033X6

- For use with any transmission with or without a flush machine
- Safely removes deposits and varnish
- Prepares transmission for new fluid
- Ester-based seal-friendly formula
- Cleans internal transmission components

Lube Gard PLATINUM High Performance Automatic Transmission Fluid Protectant w/Transmission Flush, 10 oz. LUE 63010

- Quiets noisy gears
- Mixes with any gear oil

K & W Chemical Trans-X Posi-Trac Limited Slip Gear Oil Additive, 7 fl. oz. KW 402508

- For use with any required automatic transmission fluids as a top off treatment
- Provides smoother shifting and reduces powertrain loss
- Eliminate clutch chatter and torque converter shudder
- Only product that increases the fluid's ability to transfer heat
- Optimizes total transmission performance

Lube Gard Automatic Transmission Fluid Protectant with LXE, Size 10 oz. LUE 60902

- Improves shifting
- Reduces noise and shudder
- Compatible with all ATF fluids, conventional and synthetic
- Extends fluid life
- For use in new and older transmission

Lucas Oil Products Automatic Transmission Fluid, ATF Conditioner, 20 oz. LCS 10441

- Prevents contamination of new or rebuilt units
- Removes grease, dirt, sludge, grime and metal shavings
- No water/soapy residue to contaminate new transmissions
- Does not contain ozone depleting chemicals or CFCs
- Does not contain chlorinated solvents

Lube Gard Kooler Kleen Transmission Cooler Flush, 13.25 oz. LUE 19001

* Disclaimer: Not all products listed in this catalog are stocked in all stores or DC locations. If not stocked, they are available via special order.

- Use to overcome or diagnose operational fluid system problems
- Dissolves and liquefies harmful gum/varnish buildup in fluid
- Cleans and lubricates valve bodies, shift actuators and solenoids
- Helps to handle moisture in fluid
- Use as a conditioner for the life of the fluid

Sea Foam Hydra Trans Tune Transmission Treatment, 16 oz. SEA TT16

- For use in most light-duty and heavy-duty vehicles, including cars, trucks, vans, SUVs and RVs with 3-speed, 4-speed, 5-speed, electronic, overdrive, automatic or manual transmissions
- Works with most front-wheel drive, rear-wheel drive, all-wheel drive and 4-wheel drive transmissions
- Compatible with domestic and imported transmission fluids, including petroleum and synthetic formulas
- Restores bands and clutches to stop slip, eliminate hesitation and reduce rough shifting
- Reduces noise, shudder and chatter by renewing and stabilizing automatic transmission fluid

Rislone Transmission Stop Slip with Leak Repair, 32 oz. SHA 4502

- As your vehicle gets older it demands more from the transmission fluid, which often causes the fluid to shear.
- When the transmission fluid begins to degrade, oxidation occurs, which leads to rough shifting, slipping and increased temperature.
- As a result of the increased temperature the rubber seals and gaskets inside the transmission will begin to harden and may create leaks.

Slick 50 Recharged High Mileage Transmission Treatment, 15 oz. SLK 41806015

- Permanently restores gaskets and seals transmission leaks
- Non-Clogging and compatible with all transmission fluids
- Repairs and reconditions damaged rubber seals to like new conditions
- All leaks are sealed while the vehicle is being driven

BlueDevil Transmission Stop Leak BDS 236

PERFORMANCE CHEMICALS GASKET SEALER

- High temperature, high quality aerosol metallic gasket sealer.
- Prevents compression loss on premium gaskets.
- Ideal for head and intake gaskets.

CRC Copper Coat KW 401612

PERFORMANCE CHEMICALS ZINC

- Galvanized protection fights rust and corrosion with less than 92% pure zinc. Provides the protection of expensive hot dip galvanizing.
- Protects iron and steel through sacrificial action.
- Protects even when scratched or abraded
- Protects welds or bare metals on previously galvanized surfaces
- Use as touch up for marred galvanized surfaces

CRC Zinc-It Instant Cold Galvanize, 13 wt. oz. CRC 5048

PERFORMANCE CHEMICALS UNDERCOATING

- Seals Against Rust & Corrosion

Radiator Specialty TiteSeal Undercoating, Paintable RAD T16-16

PERFORMANCE CHEMICALS INSECTICIDE

- 20' range
- Kills on contact
- Fast acting
- High strength

CRC Wasp & Hornet Killer Plus Insecticide, 14 oz. CRC 14010

PERFORMANCE CHEMICALS GLASS CLEANERS

CRC Heavy Duty Glass Cleaner with Ammonia CCM 1045
