2 Ply Trash Bags
These classic can liners are made with 2ply linear low density sidewalls for superior puncture resistance. Opaque brown/black color hides unsightly trash. Heavier than most conventional trash bags, 2ply classic can liners are ideal for everyday trash. Flat bottom seals eliminate bottom seal leakage and hold 25% more than star-bottom seal bags. Bags are individually folded and dispense one at a time for ease of use and portion control.

CPC 21000 2 Ply Classic Office Trash Bags, 7-10 gal., 24” x 23”, 0.6mil, 500 Pk, Brown/Black
CPC 21001 2 Ply Classic Trash and Yard Bags, 40-45 gal., 40” x 46”, 0.7mil, 250 Pk, Brown/Black

Heavy-Duty Bags
These 55-60 gallon black bags are heavy-duty for tough trash. Environmentally conscious and are made with 100% recycled plastics; 10% of which is post-consumer plastic. Flat bottom seals eliminate bottom seal leakage and hold 25% more than star-bottom seal bags. Ideal for industrial/maintenance use where heavy, sharp trash is prevalent. Individually folded bags are packed in a unique one-at-a-time dispenser carton for ease of use and portion control.

CPC 21003 Heavy-Duty Bags, 55-60 gal., 38” x 58”, 1.1mil, 100 Pk, Black
