

THE BEST TRAINING JUST GOT BETTER

Comprehensive. Competitive. Flexible.

Carquest Technical Institute® (CTI) and Worldpac Training Institute® (WTI) have joined forces as CTI®+WTI® to offer the most comprehensive technical and business training in the automotive aftermarket.

Our updated catalog includes courses for all aspects of your shop – technicians, service writers, managers, owners and more. Find training packages for individuals or the whole team, and flexible learning formats, either online or in-person.

Easy-To-Use Learning Management System (LMS)

Access the best courses and stay flexible when you complete training as a team with CTI+WTI. CTI+WTI has a new LMS with easy-to-use tracking of technician training, so you always know how you're progressing. Track Career Paths and progress towards certification completion with self-service dashboards allowing owners to manage their team's training needs. Plus, take courses online, including instructor-led virtual classes.

Stay on Track with Career Paths

A Career Path is a structured set of online, in-person and hands-on events designed to grow skills and earn certifications that will prepare the student for the challenges of their position.

CTI®+WTI® Career Paths are designed with you in mind. Help your whole team grow their skills at every stage of their career.

Comprehensive Training and Certifications

With CTI+WTI, access courses and earn certifications for any level, so you never stop growing your career. Courses are designed for all aspects of your shop, with options that meet your business needs like OEM-specific technical training, certification and management training. We know what's good for your team is good for your business.
