

INSTANT SAVINGS ON IGNITION COILS

25% OFF

when you buy any four or more BWD® coils*

BWD® is constantly evolving to give customers the competitive edge they need. The end result is a line of premium-quality replacement parts for import and domestic vehicles.

- **Primary (25 gauge) and secondary (43 gauge) copper wire** — Ensures peak performance while reinforced bobbins prevent voltage flashover for extended service life
- **Advanced thermoplastic coil connector** — Ensures proper connection and resists fractures caused by heat and thermal cycling
- **High-temp boot** — Prevents high-voltage leaks, while stainless steel spring with noise suppressor prevents radio frequency interference (RFI)
