BRAKES

Advance Professional has the largest inventory network of auto parts for fleet repair. We carry multiple product lines and have more than 6,500 stores throughout North America ready to serve your needs.

CARQUEST® FRONTLINE BRAKE PADS

- Specifically engineered for towing, hauling and frequent braking applications
- Formulations designed for extended pad life and maximum stopping power
- Complete testing protocol for heavy duty applications, including on-vehicle testing
- Pad installation hardware included where required

CARQUEST® FRONTLINE PD

- Specifically engineered for pursuit applications
- Formulations designed to dissipate heat and reduce high temperature fade
- Extended pad life and reduced cost per mile
- Complete testing protocol for pursuit applications, including on-vehicle testing

CARQUEST® WEAREVER® FRONTLINE™ BRAKE ROTORS

- **Laboratory tested** — For maximum thermal fatigue resistance
- **Coated** — To prevent rust and corrosion and increase free-flow venting for longer rotor life
- **OE fit design** — Machined for OE fit, form and function
- **Severe duty** — Formulated for severe duty vehicles
