CARQUEST® SEALED GEL BATTERIES

Carquest gel batteries are designed to provide unmatched deep cycle life and performance. Made of the finest materials, these maintenance-free batteries are leakproof, spillproof, recharge quickly and resist vibration damage.

FEATURES & BENEFITS

- Sealed gel technology — Provides the ultimate deep cycle performance, especially under extreme conditions
- 100% maintenance free — Eliminates the hassle of adding water and ensures longer service life
- Spillproof and leakproof design — Safer than conventional batteries
- Thick gelled electrolyte and tight pack construction — Eliminates damage caused by vibration
- Made in the USA with over 250 quality control checks — Your assurance of quality

Ideal for use in:

- Electric vehicles and golf carts
- Floor scrubbers/sweepers and electric pallet jacks
- Aerial lifts
- Solar and emergency backup systems
- Marine and RV Deep Cycle applications
- Wheelchairs
